BUYER'S COMMENTS: Bid packages or bid announcements were sent to 40 potential bidders listing five different systems which have been preapproved as replacement systems. Four bid responses were received. The lowest bid received was in the amount of $206,800. A preliminary meeting with the contractor, school administrators and the project manager will be scheduled to coordinate activities and minimize disruption to school operation and activities. This is a summer/fall project, scheduled to start immediately upon approval by the Harford County Board of Education and the State Board of Public Works. Minority Business Enterprise (MBE) guidelines were followed in compliance with the State of Maryland and Harford County Board of Education requirements. The project is partially funded (65%) by State of Maryland Aging Schools funds. Buyer recommends award to the lowest bidder, Action Electrical Contractors, Inc. The recommended vendor has provided services to Harford County Public Schools in the past.
