The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.
This is only a summary. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can see the Glossary at www.carefirst.com/sbcg or call 1-855-258-6518 to request a copy. Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-Network: $100 individual/$200 family Out-of-Network: $300 individual/$600 family	Generally, you must pay all the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes, all In-Network preventive care services, as well as the following (non-hospital facilities only, when applicable): Primary Care Office Visit, Specialist Office Visit, Retail health Clinic, Emergency Room Care, Emergency Medical Transportation, Urgent Care, Outpatient Mental Health and Substance Abuse Office Visit, Pre and Post Natal Office Visits, Home Health Care, Rehabilitation Services, Habilitative Services, Skilled Nursing Care. Durable Medical Equipment, Hospice Care and Children's eye exam.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	There are no other specific deductibles.	You don't have to meet deductibles for specific services.

What is the out-of-pocket limit for this plan?	Medical: In-Network: $2,400 individual/$4,800 family Out-of-Network: $2,400 individual/$4,800 family Prescription Drug: $4,200 individual/$8,400 family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, health care this plan doesn't cover, copayments for certain services, and penalties for failure to obtain pre-authorization for services.	Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	Yes. See www.carefirst.com or call 855-258-6518 for a list of Network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.
