

John Archer School

Where All Students Experience Success!

Kristina Linville

(Elementary)

My name is Kristina Linville. I have taught at John Archer School for 10 years. I have a Bachelor's Degree in Leadership in Teaching and Middle School Math Education. I live near the water in North East, Maryland with my husband, Jeremy, and my five year old son, Riley. I enjoy boating, scuba diving, reading, watching the Ravens win, and, of course, teaching!
