January 2010

Dear Parents/Guardians:

The month of January is **Maryland Reading Month**. We all have the opportunity to celebrate this month by participating in a variety of reading related activities at school and at home. We invite you to join in the reading fun by following the suggestions on the calendar that is attached. There's lot of fun for everyone!

We wish you a very happy and worthwhile Maryland Reading Month this year!

Happy reading!

Sincerely,
