Hall of Fame

The news section also features our HCPS Educator Hall of Fame members including newly inducted members, as well as an archive of those inducted in previous years. Each month during the school year, one former HCPS educator is inducted into the Hall of Fame based on his/her outstanding service to students, colleagues and the community for at least 20 years. Applications are available on www.hcps.org.

Stay Connected!

Harford County Public Schools (HCPS) is committed to parental, family and community involvement in the educational process. HCPS encourages two-way communication and strives to keep the public informed about issues affecting its schools, decisions made by the Board of Education Harford County and student activities through various methods of regular communication.

www.hcps.org

The school system's website, www.hcps.org, offers information to meet the needs of parents, students, staff and the general community. The "Parents" tab at the top of the homepage includes links to useful information such as registration information, brochures, immunization requirements, academic programs and calendars, as well as athletic and arts information. This page serves as a quick resource to the most-requested information for you.

TeleParent

The TeleParent notification system provides HCPS the means to notify parents and employees of emergency or other important information by way of mass telephone contact. The school system uses TeleParent to inform parents of school closings, key system initiatives and other critical information. TeleParent has proven to be a major step in providing for positive contact between schools and parents, allowing the superintendent, principals and others to deliver a consistent and timely message.

Email

Email is utilized to communicate key information to parents and guardians about upcoming events, Board of Education information, etc. The email component is also used to inform parents of emergency/inclement weather school closures or delays. Check with your school to make sure your contact information is up-to-date.

Board of Education Public Meetings

Regular meetings of the Board of Education are normally held on the second and fourth Monday of each month (except July and August) at 7:00 and 6:30 p.m. respectively. All meetings are announced in advance on the HCPS website and in other print/electronic media including the Harford Cable Network (HCN). Meetings are open to the public, unless otherwise announced, and attendance is encouraged for those with an interest in business operations of the school system.

Each regular, public business meeting of the Board includes a public comment period in which any citizen, group representative, parent or student may make a statement regarding an item on a past, present or future Board open-session agenda, or a matter of general policy over which the Board has jurisdiction. To find out how to register to speak at an upcoming meeting, visit www.hcps.org.

Get Involved!

Hundreds of persons each year assist students in the schools by donating their time to work in classrooms, libraries and health rooms. These persons make valuable contributions to the educational system by working directly with children or by performing duties which allow others to give students more individual attention.

Volunteers are selected at the school level and assigned specific duties. Before they actually begin work, they participate in meetings which are designed to help them become familiar with the school program and their new roles. Following these general meetings, the teacher and the volunteer meet to discuss classroom standards, routine operations and duties to be performed.

If you are interested in donating your services, contact the schools in which you would like to work.

Inclement Weather

Delayed openings and school closings are communicated in a number of ways:

- **Email** – Announcements are also sent to the email address(es) on file with your school(s).
- **HCPS Website** – Announcements will be posted on our homepage, www.hcps.org, as early as 5:15 a.m. and as messages change.
- **HCPS Central Office Switchboard** – Call 410-838-7300 or 1-866-588-4963 to listen to a recording of current school closures and delays.
- **Local television channels and radio stations.**
