# HARFORD COUNTY PUBLIC SCHOOLS

## 2007-2008 Academic Calendar

*The six days may be used as make-up days for any days lost to inclement weather or other emergencies. Any of the four days listed at the end of the school year (June 10, 11, 12, and 13) not needed as inclement weather/emergency make-up days will be dropped and the last day of the school year will be adjusted accordingly.*

*In addition, if a fifth inclement weather/emergency make-up day is needed, March 28 will be used; if a sixth inclement weather/emergency make-up day is needed, March 27 will be used. The school year will not exceed 180 days for students and 190 days for teachers with the last day of the teacher school year adjusted accordingly.*

*If no inclement weather days are needed, the earliest the school year will end will be June 9; the latest date school will be in session for students is June 13.*

<b>Inclement Weather Days Used</b>	<b>Final Day of School for Students</b>	<b>Final Exams Window</b>
<b>0</b>	<b>June 9</b>	<b>June 2 – 6</b>
<b>1</b>	<b>June 10</b>	<b>June 3 – 9</b>
<b>2</b>	<b>June 11</b>	<b>June 4 – 10</b>
<b>3</b>	<b>June 12</b>	<b>June 5 - 11</b>
<b>4</b>	<b>June 13</b>	<b>June 6 - 12</b>
<b>5</b>	<b>June 13 *</b>	<b>June 6 - 12</b>
<b>6</b>	<b>June 13 **</b>	<b>June 6 - 12</b>

**\*This scenario includes using March 28 as a regular school day instead of professional development day. If March 28 is used as an inclement weather day, teachers will report June 17 for a professional development day.**

**\*\*This scenario includes using March 27 as a regular school day instead of professional development day. If March 27 is used as an inclement weather day, teachers will report June 18 for a professional development day.**
