NOTE: This calendar contains the potential for 186 student days -- six more than the state minimum requirement of 180 days. The six days may be used as make-up days for any lost to inclement weather or other emergencies. Any of the four days listed at the end of the school year ([^]June 14, 15, 16 and 17) not needed as inclement weather/emergency make-up days will be dropped and the last day of the school year will be adjusted accordingly. In addition, if a fifth inclement weather/emergency make-up day is needed, April 1[^] will be used; if a sixth make-up day is needed, May 20[^] will be used. The school year will not exceed 180 days for students and 190 days^{^^} for teachers.
