The six days may be used as make-up days for any days lost to inclement weather or other emergencies. Any of the four days listed at the end of the school year (\*June 13, 14, 15, and 16) not needed as inclement weather/emergency make-up days will be dropped and the last day of the school year will be adjusted accordingly. In addition, if a fifth inclement weather/emergency make-up day is needed, Friday, April 1\* will be used; if a sixth make-up day is needed, Friday, May 20\* will be used. The school year will not exceed 180 days for students and 190 days for teachers with the last day of the teacher school year scheduled the day after the final student day.
