  - Decision on Board of Education Restricted, Capital Funds and Food Service Budgets FY2019
  - Discussion on Board of Education Unrestricted Budget FY2019
- o Superintendents Report- I believe that everyone works very hard to give the children and our employees everything we can. The reality is that all negotiations are based on funding. Like a household budget, you can only do what you can with what you have. When the money is not there, you have to cut back on a lot of things. For what this information is worth, I will stake my reputation on the fact that we have gone back to this budget three separate times. There is no excess money in this budget, and we need all the help we can get and cooperation from everyone to be understanding about what needs to be done here. It really is as simple as that. Thank you.
