## Center for Instructional Media

The HCPS Center for Instructional Media (CIM) is a professional library of books, databases, DVDs, sheet music, and other resources to support the instruction and professional development needs of our teachers, administrators, and staff. While the CIM is housed in the Forest Hill Annex, the collection can be browsed online, and materials are sent to patrons via the HCPS courier.

To access the CIM:

1. Choose Follett Destiny Library Catalog on the start.hcps.org page from home or school.

2. Then choose the Center for Instructional Media under the District tab.
