

Darlington Elementary School PTA

August 2008

Dear Families:

Every year, the Darlington Elementary School PTA plans activities to help create a school year that is educational and fun for your child. In order for these events to be successful, we need your help with various activities throughout the school year. Please take a few moments to check off the events you would be interested in supporting. A “check” on this form will not be viewed as a commitment, simply an expression of interest.

Apple Festival: October, Help children make crafts and other activities, assist with set-up and clean-up

Fall Festival: October, An evening at school with games and crafts

Scholastic Book Fair: November and May, Help with set-up, clean-up and assist students during the event

Conference Day Meals: November, Prepare and deliver food for staff’s lunch and dinner

Reflections: Fall, Students complete art projects to be submitted for “friendly competition”

Gingerbread Night: December evening, help prepare icing and set up needed items so students can create gingerbread houses

Holiday Shop: November and December, Help make crafts and assist students in selecting items while they shop

Basket Bingo: Spring, Help plan the facilitate the event

Teacher Appreciation Lunch: May, Help plan, prepare and serve food for teachers

May Day: May, Assist with events, games, and crafts

___Muffins with Mom: May, Coordinate food and assist with set-up, clean-up, and serving

___Donuts with Dad: June, Coordinate food and assist with set-up, clean-up, and serving

___ Yearbook Committee: Help throughout the year to take pictures and organize the items for the yearbook

___Fundraising: Help the committee chair with projects

___Darlington Science: This is a yearlong after school program. Assistance is needed in guiding small groups of students through experiments and projects. Darlington Science takes place once a month after school. For more information, please contact Mark Dagher at 410-734-

___Parent Volunteer: This parent will work with school administrators in recruiting volunteers and teaching them how to use selected equipment.

THANK YOU FOR YOUR SUPPORT!
