

# HARFORD COUNTY PUBLIC SCHOOLS ALTERNATIVE EDUCATION TRANSPORTATION

A consolidated stop system for school bus transportation is utilized for all students attending Harford County Public Schools Alternative Education Programs.

- Students who live within walking distance of their neighborhood elementary, middle or high school meet their bus at the local school.
- Stops for developments are located at the entrance of the development.
- Students are required to be at their bus stop 10 minutes prior to the stated pick-up time.
- Please make sure the school has your current address and phone number.
- Students not utilizing bus service for a period of 10 consecutive school days will be dropped from the route to provide the shortest ride time for students who are utilizing bus service.
- Students are permitted only to ride the bus they are assigned, utilizing their designated stop.
- Parents are responsible for contacting the school to restart bus service, once a student has been dropped from the bus route due to lack of use.
- On inclement weather days (even when schools are on time) buses may be delayed.

**PLEASE NOTE: IT MAY TAKE SEVERAL DAYS TO IMPLEMENT REQUESTS TO SET-UP OR RESTART BUS SERVICE SO THAT NOTIFICATION OF TIME CHANGES TO STUDENTS UTILIZING THE BUS SERVICE CAN BE MADE.**
