- American Education Week is observed annually in the Harford County Public School System as a time to promote an increased public awareness about the schools. The National Education Association's 89th Annual American Education Week 2010 is November 15-19. Parents, teachers, administrators, students and the local communities are reminded that all must be closely involved in the public schools if they are to be truly successful. Visiting the public schools will allow you to observe today's curriculum, current teaching methods, students and teachers at work and materials of instruction. You will also have the opportunity to talk with school administrators about the school program. The schedule is as follows: *New!*
 - November 15 - Grandparents/Senior Citizens Day & All classes open for visitation
 - November 16- Grades - Pre-K, K, 2, 4, 6, 8, 10, & 12
 - November 17- Grades - 1, 3, 5, 7, 9, & 11
- HCPS Magnet Program informational presentations set! In an effort to disseminate information to Harford County eighth graders and their parents about educational opportunities for high school, HCPS will be hosting a series of evening informational presentations within the county throughout the fall. The objective of these meetings is to allow parents and students to take an introductory look at the magnet programs, located at four specific schools that are available to students throughout Harford County. The Science and Mathematics Academy (SMA) at Aberdeen High School, the Global Studies/International Baccalaureate Programme (GS/IB) at Edgewood High School, the Natural Resources and Agricultural Science Program (NRAS) at North Harford High School, and the 19 career programs at Harford Technical High School (HTHS) in Bel Air will be showcased.

Open Houses for each of the magnet programs will be held as follows:

- Nov. 4th - Global Studies/International Baccalaureate Programme at Edgewood High School, 6:30 - 8:30 p.m.
- Nov. 10th - Harford Technical High School, 5:30 - 8:00 p.m.

Attendance at the open house is not required for application or admission to any magnet program. Applications to each of the magnet programs are available at www.hcps.org.
