APPLICANTS SOUGHT FOR SCHOOL SYSTEM ETHICS PANEL

The Board of Education of Harford County is seeking applications from interested county citizens to fill potential openings on the school system's Ethics Panel. The purpose of the five-member panel is to review any inquiries concerning potential violations of ethics on the part of school employees or Board members. The panel also reviews a yearly financial disclosure form submitted by all senior school administrators.

Ethics Panel members serve for a term of five years appointed at staggered intervals. Members are appointed by the Board of Education and may serve two full terms. Membership is county-wide, though consideration is given to providing demographic diversity on the panel.

Teresa Garland's second term will expire August, 2008. Bruce A. Hart's term will expire January, 2009. The Board seeks to fill both vacancies as they occur in August, 2008 and January, 2009. One candidate must be admitted to practice law in Maryland.

Anyone interested in being a School Ethics Panel member should send a letter of interest accompanied by a biographical sketch to: Donald R. Morrison, Director of Public Information, Harford County Public Schools, 102 S. Hickory Avenue, Bel Air, Maryland, 21014. These positions will remain open until filled.
