

CHILD FIND TEST CENTERS Information

Program Description

Teams of a special educator and speech therapist will screen and evaluate 3 and 4 year old children referred to the test center. The teams will develop IEPs for those students who qualify for services and conduct IEP meetings. This team will also plan and conduct eligibility meetings for students in the Infants and Toddlers Program.

Date(s)

July and August (dates to be determined)

Location

- Hickory Elementary
- Contact Information: The Department of Special Education 410-588-5359 or 410-588-5246
