

High School Physical Education Summer Learning Program Information

Program Description

The Harford County Public Schools (HCPS) Summer School Physical Education program provides high school students with expanded access to curricula aligned to the Maryland State Curriculum through the delivery of high quality face-to-face and online courses. Students will sit for the countywide exit exam upon completion of the course. Courses offered include:

FOUNDATIONS OF FITNESS AND PHYSICAL ACTIVITY

Grade 9

This required course presents fundamental and current topics in the field of physical fitness. It supports and encourages students to develop an individual optimum level of physical fitness, to acquire knowledge of physical fitness concepts, and to understand the significance of lifestyle on one's health and fitness. Successful completion of this course earns one-half credit to meet the State requirement for graduation.

PHYSICAL EDUCATION 10-12

Grades 10-12

Physical education offers a wide variety of activities based on an elective program. This program is designed to meet the individual needs, abilities, and interests of students. Activities rotate on a three-week basis and provide students the opportunity to experience lifetime sports, individual sports, and team and recreational games. Successful completion of this course earns one-half physical education credit.
