Kid Pix Planning Sheet

Save as _____ Drive _____

Save as _____ Drive _____

Directions for the Kid Pix Planning Sheet

1. Type your name and date.
2. Plan the design of your first slide. Consider what information you want to share.
3. Draw your design in the box.
4. Write your text on the lines to the right of the box.
5. Write the name of your file for this slide next to **Save as**.
6. Write the drive name (A or C) where this slide is saved.
7. Repeat for each slide in your slide show.
