

**Transferring a Kid Pix Image
to Student Writing Center
By Janey Mayo, Technology Coordinator**

Begin in Kid Pix

- 1. Create a picture in Kid Pix.**
- 2. Perform the following sequence:**
 - A. Select Moving Van**
 - B. Select Magnet option (far right on the bottom of the screen)**
 - C. Click and drag to make a box of “marching ants” around your image**
 - D. Click Edit on the menu/Click Copy**
- 3. You may now exit Kid Pix because the image has been copied to the clipboard.**

Begin Student Writing Center

- 1. Select Report, Sign etc.**
- 2. Select Paste from the icon tool bar. The image will now appear on the screen.**
- 3. Use the four-way cross to move the image with click and drag.**
- 4. Use the double black arrow on the edit handles to resize the picture.**
- 5. Click outside of the box to make the graphic box disappear.**
- 6. Use the Enter key to position the cursor where desired.**
