

Norrisville Elementary School - *Where bright futures begin!*

Nurturing respect, responsibility & relationships!

Opening minds!

Expanding academic potential!

Shaping life-long learners!

Our 2008-2009 School Improvement Plan-At-A-Glance:

Our staff will...

...plan engaging instruction

...deliver beyond the basics

...study results for every student

...act early and often to meet the needs of all our learners

Our students will...

...plan goals that aim high

...deliver their best efforts

...study what they need to know and be able to do

...act to achieve!

Our community will...

... help plan school events

...deliver feedback all year

...study the growth their children make

...act in unison with staff and students
