Dear Parent or Guardian:

For Harford County Public Schools to apply for federal funds under the Impact Aid Program (Title VIII of the Elementary and Secondary Education Act), it is necessary to determine which parents/guardians live or work on federal property within the State of Maryland. The funds our school system receives under this program will be based upon the information checked on the front and filled in on the reverse side. The information will be kept confidential. The information *may* be provided to the U.S. Department of Education *if* our application for payment is audited.

We ask that you take a few moments to complete this brief questionnaire for each child enrolled in the Harford County Public School System, and return it to your child's school no later than November 10, 2017.

Every form must be signed and dated by a parent or guardian.

Thank you for responding to our request and for your continued support of Harford County Public Schools.

Sincerely,

Barbara P. Canavan
 Superintendent of Schools
