STUDENT ACCIDENT INSURANCE

Dear Parents:

Harford County Public Schools will once again be offering Student Accident Insurance through an independent company for the 2011-2012 school year. Please be advised that this is a voluntary program based on your needs.

If you are concerned about coverage in the event of an accident, this insurance may be a way for you to cover a gap caused by a lack of health or dental insurance or a large deductible on your present health insurance.

Should you desire to purchase a policy for your child, simply go to the following website to enroll on line:

www.studentinsurance-kk.com

If you do not have internet access, the school office has been provided a link to print off a mail back brochure for you.

If, after purchasing a policy, your child suffers an injury that is covered under the plan, please access the website to follow the instructions for filing a claim.

Should you have any questions in reference to this insurance offering for students, please feel free to contact my office for assistance.

Very Truly Yours,

Melanie J. Wernig
