COLLEGE OF

EDUCATION™

Grand Canyon University is regionally accredited by the Higher Learning Commission of the North Central Association.  
(800-621-7440; <http://www.ncahigherlearningcommission.org/>).

#### MEASURABLE SUCCESS

Grand Canyon University's College of Education graduates are quickly hired and our ground traditional students have high placement rates after graduation.

#### FIELD EXPERIENCE

Courses provide opportunities to engage in real world experiences, applying learning concepts throughout the program.

#### VALUE

The College of Education equips students to perform ethically within the context of their jobs, and to create a framework of high standards within their organizations.

#### CONVENIENT SCHEDULING

You can start every eight weeks throughout the year, enabling you to earn your bachelor's or master's degree.

#### ALIGNMENT TO STANDARDS

All programs are aligned with state and national standards using the Understanding by Design framework developed by Wiggins and McTighe to ensure more engaging and effective learning.

*"At Grand Canyon University, I always felt that we had a great learning community. Everyone was so supportive from the administration, to various offices, to the instructors, all the way to my classmates."*

– Stacy Tebo, M.Ed, Education Administration '06
