## Great Gator Program

At YBES, we are updating the citizenship program which is being implemented as the Great Gators Program. Our mission is to develop students who are caring, safe, courteous, honest, respectful, and responsible through working collaboratively with YBES staff, parents, and the community to recognize their “Great Gator” behaviors.

Students will set individual goals for each month based on how many tickets they would like to earn. They will record their monthly goal on their Great Gator Report.

The class will set a goal for the month based on the number of students and the number of days in the month that we are in school. The number of tickets set as your goal needs to include cafeteria behavior.

Class rewards will be provided when each class meets their goal for the month.

At the end of each month, a “Great Gator Report” will be sent home in order for you to see how many tickets your child earned. By collecting this data, you will be able to see the strengths and weaknesses in your child’s behavior and encourage better choices for them.
