

As a Green Gator I promise to:

\*encourage others to reduce waste, reuse items rather than just create more waste, and recycle items whenever possible.

\*attend all Green Gator meetings. If I must miss a meeting, I will bring a note from home to school the day before or the day of the meeting.

\*wear appropriate clothes for all meetings and to work outside. Shoes should have closed toes.

\*behave appropriately to be sure that others are not put in danger and follow the teachers' directions.
