

# Great Gator Program

**“Walk in the footsteps of Great Gators!”**

Dear Parents/Guardians,

As of November 2009, a revamped character education program is being initiated at YBES. The program specifically looks for the following traits:

Students will earn tickets for displaying the above traits. Their homeroom classes will set a goal for the month by determining how many tickets they would like to earn. Eventually, all students will also be setting individual goals each month. At the end of each month, a “Great Gator Report” will be sent home in order for you to see how many tickets your child earned. You will also be able to see the areas in which the tickets were earned.

Another aspect of the program includes a daily reminder of the traits we would like the students to display. Each morning before the announcements, the students will repeat the “Great Gator” Morning Sound Off. Please see the words below and ask your child to demonstrate the Sound Off for you!

Please look for more information on the specifics of the program to be offered in the upcoming months. Thank you for your continued support.
