## **John Archer School to Pay Special Tribute on Veterans Day**

*Media are invited to attend the celebration*

On Veterans Day, John Archer School will honor United States active military and veterans in a meaningful and celebratory manner during a schoolwide assembly.

Students will parade through the school's hallways, led by the Harford Technical High School Band and a Military Color Guard, and then gather together for the formal event. The agenda includes patriotic songs; a guest speaker from the Army who is currently stationed at Edgewood; and special recognition of veterans of the John Archer School staff and families, as well as deployed family members.

Leading up to the event, teachers at John Archer School are educating students with lessons and songs that will reflect the spirit of the celebration. The school community is looking forward to this special day and invites media to attend and share in paying respect to and thanking our veterans for their service.
