COMCAST DELIVERS SCHOOL SUPPLIES TO EDGEWOOD ELEMENTARY SCHOOL

This Friday, Comcast will deliver school supplies, collected through the company's annual back-to-school drive, to Edgewood Elementary School in Harford County, Maryland. The supplies will be presented by Comcast representatives to the school's principal, Lisa B. Sundquist, along with faculty, staff and students on Friday, Sept. 12 at 10:00 a.m. in the school's gymnasium.

"We are grateful to Comcast and all of its employees who are so generously donating supplies for our students this year," said Sundquist. "Comcast is a company truly invested in the principles of education and community."

Each year, Comcast's back-to-school-drive in Greater Baltimore encourages employees to give back to the community and help promote academic success among area youth. Comcast selects one school annually to receive the supplies collected throughout the employee drive, which this year took place Monday, Aug. 25 through Friday, Sept. 5.

Items donated include composition notebooks, folders, pencils, crayons and more. To date, Comcast employees have donated thousands of school supplies to support area youth.

Edgewood Elementary School is located on Cedar Drive in Edgewood, MD. The school currently has about 420 students enrolled.
