FOR IMMEDIATE RELEASE

FEBRUARY 23, 2012

Drug dog scan conducted at Havre de Grace High School

A routine, random drug dog scan was conducted in the Havre de Grace High School parking lot today. The scan, done as part of the school system's commitment to keeping illicit drugs out of the schools, was accomplished using a canine under the direction of the Harford County Sheriff's Office.

The scan involved 20 cars being scanned by the dog. The 15-minute scan (9:05 to 9:20 a.m.) – supervised by two Havre de Grace police officers, one drug dog, one school administrator and the school system's Coordinator of Safety and Security – did not result in any alerts for controlled dangerous substances or tobacco violations.
