The items which require fiscal support shall likewise be valid and binding to the extent that sufficient funds are guaranteed and/or made available by the Harford County fiscal authorities to fully implement said items.

Association business which involves a school unit of the Association shall be conducted before the beginning of the duty day or following the dismissal of students. Such meeting must not interfere with the normal, orderly conduct of the schools and may be held in the school building without charge. The Association or its representatives will make arrangements for meeting space and time with the principal of the building in question.

- 4.7 The Association will be given a place on the agenda of the regular meeting of the Board provided that a written request is received ten (10) days preceding the scheduled hour of the Board meeting and provided that the topic of concern and the name of the presenter(s) is designated in the request along with all materials (electronic or paper) that will be utilized during the presentation are submitted.

Cancellation of membership shall be signed, dated and sent in writing by letter or from the employee via U.S. Mail or HCPS email account to the Association President. The Association shall notify the Board each year by September 30 of employees whose authorization for dues deduction has been revoked.

leave, the employee will be reemployed in an appropriate vacancy provided the request for reappointment is made prior to the termination of the leave. If the employee is not returned to his or her original school, when an appropriate vacancy becomes available in the original school, the employee will be offered the opportunity to be transferred back to his or her original school.

In addition to the UniServ Director(s), HCEA will be represented by the president (or their designee), and they will appoint a representative from each unit.**

ARTICLE V Grievance Procedure

- 5.1 Grievance.** A grievance is an alleged violation, misinterpretation, or misapplication of the terms of the negotiated agreement between the Board and the Association.
- 5.2 Grievant.** A grievant is the individual(s) who have been affected by the grievance. A grievant may be an individual, a class, or the Association.
- 5.3 Settlement of Employee Grievances.** The Association and the Board recognize their responsibility for the prompt and orderly disposition of grievances that arise out of the interpretation, application, or alleged breach of any of the provisions of this agreement. To this end, the parties agree that the provisions of this article shall provide the means of settlement of all such grievances provided, however, that nothing herein will be construed as limiting the right of any employee to have a complaint adjusted without the intervention of the Association so long as the adjustment is not inconsistent with the terms of this agreement.
- 5.4 Procedural Steps.** Any grievance that a teacher has not adjusted informally with the immediate supervisor shall be presented in the following steps:
- Step 1. Between the grievant, a representative of his or her choice, and the employee's immediate supervisor and/or designated representative(s).
- Step 2. Between the grievant, and his or her Association representative, and the appropriate director, elementary or secondary, and/or designated representative(s).
- Step 3. Between the grievant and his or her Association representative, and the Superintendent and/or designated representative(s).

5.5 **Grievance Presentation.** All grievances shall be presented in writing at Step 1 within ten (10) school days from the date of their occurrence, signed by the grievant. The Administrator's answer at each step shall be given in writing within ten (10) school days after the step meeting which shall be held within ten (10) school days following receipt of the appeal. Unless a grievance is appealed to the next step within ten (10) school days after the Administrator's answer, it shall be deemed settled in accordance with the Administrator's answer, which shall be considered acceptable to the grievant and the Association.

5.6 **Arbitration.**

- (A) **Appeal Procedure.** Any grievance concerning the interpretation, application, or alleged breach of any provision of this agreement that has been properly processed through the grievance procedure as set forth above and has not been settled, may be appealed to arbitration by the Association by serving written notice on the Board within fifteen (15) calendar days after the Superintendent's answer at Step 3 of the said grievance procedure. If the Association fails to serve such notice of its intention to arbitrate within this time limitation, it shall be deemed to have waived the arbitration and the grievance shall be considered settled. No individual employee shall have the right to invoke this arbitration procedure.
- (B) **Selection of Arbitrator.** If the Association and the Board are unable to agree upon the selection of an arbitrator within seven (7) calendar days after the Association's notice of appeal to arbitration, they shall jointly request the American Arbitration Association to furnish a list of not less than five (5) arbitrators, one of whom may be designated by the parties to act as arbitrator of the grievance. If no agreement can be reached as to the arbitrator within seven (7) calendar days after receipt of the said list, the Association and the Board shall jointly petition the American Arbitration Association to furnish a second list of not less than five (5) additional arbitrators, one of whom shall be designated by them within seven (7) calendar days after receipt of said list, to act as arbitrator of the grievance. Selection shall be made by the Association and the Board representatives alternately striking any name from the list until only one name remains. The final name remaining shall be the arbitrator of the grievance.
- (C) **Jurisdiction of Arbitrator.** The jurisdiction and authority of the arbitrator of the grievance and his or her opinion and recommendation shall be confined to the express provision or provisions of this agreement at issue between the Association and the Board. The arbitrator shall have no authority to add to, alter, amend, or modify any provision of this agreement, or to make any recommendation which will in any way deprive the Board of any of the powers delegated to it by law. The arbitrator shall not hear or decide more than one grievance without the mutual consent of the Board and the Association. The recommendation in writing of the arbitrator within his or her jurisdiction and authority as specified in this agreement

shall be final and binding on the aggrieved employee or employees, the Association, and the Board.

- (D) Arbitration Expenses. The Association and the Board shall each bear its own expenses in these arbitration proceedings, except that they shall share equally the fee and other expenses of the arbitrator in connection with the grievance submitted to arbitration.
- 5.7 If the Association claims a class grievance, defined as a general violation, misapplication, or misinterpretation of the agreement that directly affects three (3) or more unit members, the grievance may then be submitted directly to the Superintendent within ten (10) days from the date of its occurrence. The processing of such grievance shall begin at Step 3.
- 5.8 By mutual agreement of the grievant and the superior, the time limits stated herein may be compromised to allow the collection of pertinent information and in the interest of prudent resolution of the grievance.
- 5.9 No reprisals of any kind will be taken by the Board, the school administration, or Association against any teacher or official because of his or her participation in this grievance procedure.
- 5.10 Should the investigation or processing of a grievance require that a teacher or an Association representative be released from his or her regular assignment, he or she shall be released. In a grievance involving an individual, the individual will be released without loss of pay. In a class grievance, the three (3) individuals identified by the Association as the parties involved in the grievance will be released without loss of pay. The Association shall reimburse the Board for the cost of the substitute teacher's pay for any other unit member who is required to be released from his or her regular assignment for the investigation or processing of a grievance.
- 5.11 All written and printed matter dealing with the processing of a grievance shall be filed separately from the central office personnel files of the teacher.
- 5.12 The Association shall have the right to file grievances on its own behalf with respect to issues that are specific to the Association's rights arising under Sections 2.2, 2.4, and 2.7 regarding renegotiations and the impasse procedure; and matters arising under Article IV governing Association-Board Relations.
- 5.13 With regard to any other section of the negotiated agreement, the Association shall have the right to file grievances on its own behalf under the procedure set forth in Step 3 of Section 5.4. Following the Step 3 hearing, the Superintendent's decision is final and not be subject to binding arbitration (Section 5.6).

ARTICLE VI

Transfers

6.1 **Voluntary Transfer.** Requests for voluntary transfers will be accepted from tenured teachers who meet the certification requirements for the position identified.

(A) The names of new schools to which teachers may request transfers for the following school year shall be announced. When the principal is appointed, that information will be distributed through the normal channels of communication and shared with the Association.

(B) Requests for transfer to other than new schools are to be in writing and to be received prior to **April 1** of the current year. A teacher may submit in writing a request to withdraw a request for a voluntary transfer prior to June 30.

Principals must interview a minimum of three voluntary transfer candidates if three or more apply, before a new teacher candidate can be selected for a vacancy. The voluntary transfer candidate with the longest continuous service in Harford County must be one of the three candidates interviewed. Unsuccessful candidates will be advised.

The requests are to be **completed online** and received prior to **April 1** of the current year.

Voluntary transfers will not be affected during a school year.

All such requests will apply to vacancies identified prior to July 15.

A part time teacher who has requested full-time employment shall be considered for a position for which he/she is qualified before a new teacher may be hired for that position, except that voluntary transfers, leaves of absence and administrative transfers shall be given priority.

6.2 **Administrative Transfer.** When an administrative transfer of teaching personnel is necessary because of a reduction of staff in a school, the administration will identify where the reduction is to take place:

(A) In an elementary school – Regular elementary teaching assignment; that is, an assignment in the grades at that school; e.g., K through 5 or 6; or an elementary subject field; e.g., reading specialist, guidance counselor, etc. For example, if there is a reduction of a regular classroom teacher, and assuming all other factors are equal, the principal will determine the teacher in grades K to 5 or 6 who has the least continuous service in Harford County Public Schools. This teacher will then be administratively

transferred. If the reduction is a reading teacher, the principal will identify the reading teacher with the least continuous service in Harford County Public Schools for transfer.

- (B) In a secondary school – Secondary subject field; e.g., geography, English, mathematics, biology, guidance counselor, work experience coordinator, etc.

The needs of the school system, and the needs and qualifications of the individual teacher(s) shall be considered. When all other factors are equal, the length of continuous service in Harford County will be the determining factor in identifying the teacher(s) who is to be transferred from the elementary school grades or the elementary or secondary school subject field. When the length of continuous service in Harford County is also equal, the length of continuous service in the school will then become the determining factor in identifying the teacher(s) who is to be transferred from the regular elementary teacher assignment or the elementary or secondary school subject field.

In an elementary school, if a teacher identified to be administratively transferred would leave a vacancy for which there would be no other teacher in the school certified to teach the vacated position, then assuming all other factors are equal, the next least senior teacher in line would be transferred to assure that all grades are taught by teachers certified to teach those grades.

In an elementary or secondary school, when a teacher receives written notice that he or she is administratively transferred; and if a vacancy in the same kind of teaching assignment occurs in the original school prior to the first preschool day, then the teacher will be permitted to be reassigned to his or her original school. To exercise the option to return to his or her original school, the teacher must notify the Human Resources Department, in writing, within ten (10) calendar days of his or her letter of transfer.

If a vacancy in the same kind of teaching assignment that the teacher held does not occur in the original school prior to the first preschool day, then the teacher will remain in the new assignment for the entire next school year. If at the end of this school year and prior to the first preschool day of this calendar year, a vacancy in the same kind of teaching assignment becomes available in the original school for the following year, then, at the teacher's option, the teacher will be reassigned back to his or her original school, provided written notice was given to the Human Resources Department within ten (10) days of the original letter of transfer. This transfer must take place on the first preschool day. Following the first preschool day of this year, the transfer becomes permanent and the teacher will remain in the school to which he or she is transferred. For following school years, the voluntary transfer policy will apply.

In an elementary or secondary school, when it is determined that a grade level in one

school will be transferred to another school, all teachers who are regarded as the teachers of pupils at that grade level will be transferred.

- 6.3 In the case of opening of a new school in the fall, the presently employed teachers to be assigned to it shall receive official notice in writing of that transfer by the close of school, if known.
- 6.4 **Involuntary Transfer.** If, as a solution to a problem (different from those listed in “Administrative Transfer”) a teacher is to be transferred to another school, such a transfer may not be effected until after a meeting between the teacher involved and the appropriate administrator(s). At this time, the teacher shall be notified of the reason(s) for transfer, shall be apprised of his or her rights, and shall be given the opportunity to respond. In the event that a teacher objects to the transfer, he or she shall, upon request, have a meeting with the Superintendent or designee. The teacher, at his or her option, may have a person of his or her choice accompany him or her at the meeting.

ARTICLE VII

Vacancies

- 7.1 **Announcement of Vacancies.** Vacancies which are to be filled in administration, supervision, department chairpersons, teachers-in-charge, teacher specialists, mentors, and eleven-month positions will be advertised.
- 7.2 All applicants will receive consideration but in the case of equal qualifications, the first preference will be given to professional workers in Harford County.
- 7.3 **Application.** Candidates are to complete and submit a formal application form with a transcript of all college studies to the Human Resources Department.
- 7.4 **Preliminary Screening.** Applications and supporting data, i.e. transcripts, professional experience and references, will be reviewed, and the most promising candidates will be scheduled for interview. Candidates who are eliminated in the preliminary screening will be so notified.
- 7.5 **Interview and Selection Committee.** The Superintendent will appoint an Interview and Selection Committee to interview the remaining candidates and to make recommendations to the Superintendent.
- 7.6 **Referral to the Superintendent.** The Superintendent may accept the recommendations of the Interview and Selection Committee or reject all candidates as deemed best for the school system. The Superintendent’s recommendation(s) for promotion will be submitted to the Board of Education.

ARTICLE VIII

Teaching Hours and Assignments

- 8.1 **Work Year.** Teachers may be scheduled to be in attendance for a maximum of 190 days. Under normal circumstances, absent concerns regarding the legitimacy of the claim of illness requiring absence from work Such as cases involving patterns of suspicious absence from work or days of historically dis proportionately high sick leave requests), certification of illness from a medical professional will not be necessary proof of illness for absences of three or fewer consecutive days' duration.

The parties understand that the PSLRB has ruled over the objection of the Board that this is a mandatory subject of bargaining. The Board has appealed that decision to the courts. The Harford County Education Association (HCEA) Sick Leave Bank (SLB) is a benefit, available to all Harford County teachers who choose to be members. The SLB exists as a safety net for teachers who may encounter catastrophic and incapacitating illnesses and who have exhausted all of their allotted sick and personal business days. The Bank is administered by jointly by HCPS and HCEA and is contained in the negotiated agreement. The day to day operation of the bank is handled by HCEA employees.

The existence of the Sick Leave Bank and participation by a unit member in the Bank does not negate or eliminate any other sick leave policies of Harford County Public School System, nor does it in any way negate the rights of individual unit members who participate in the Bank to other sick leave benefits.

The Sick Leave Bank may only be used for the contributor's own personal illness; it may not be used for illness of other members of the contributor's family, or by the contributor to remain away from his/her position in order to assist a member of his/her family who is ill. The Bank does not cover cosmetic or elective surgery. Complications arising from elective procedures may be eligible if they meet the normal standards for SLB grants.

Only contributors will be permitted to use the Bank for payment for qualifying incapacitating and catastrophic personal illness occurring on regularly scheduled duty days.

The 60-day waiting period will start on the first day of the new school year for those who join during Spring Enrollment. Normal pregnancy is defined as the nine (9) month period prior to delivery. Applicants are eligible for a grant of ten (10) days for a Caesarian section.

Pre-Existing Conditions. Anyone who joins the Sick Leave Bank with a pre-existing diagnosed condition or illness for which they have received treatment within the last six months, will not be allowed to utilize the Sick Leave Bank for illness resulting from or related to that specific condition until the member has remained ninety (90) days treatment-free or one full year (365 days) in the Sick Leave Bank. Workers' Compensation. In cases where a member requesting leave from the Sick Leave Bank may be eligible for Workers' Compensation benefits, the member requesting the sick leave shall initiate timely action through the Workers' Compensation Commission or lose all rights to Sick Leave Bank coverage for absence related to that illness or injury.

In cases where a member applies for and is eligible for Workers' Compensation benefits, leave from the Sick Leave Bank will be adjusted so that when combined with the Workers' Compensation benefits, it equals, but does not exceed, the member's regular net salary.

Disability Retirement

When the Sick Leave Bank Committee may reasonably presume that an applicant for a grant or an extension of a grant may be eligible for disability retirement benefits from the Maryland State Retirement Systems and/or Social Security, the Committee will require the member to apply for disability benefits. Submission for the application for disability retirement and the necessary supporting medical documentation to the HCPS Human Resources Department must be made within 20 calendar days from the date of issuance of the request by the Sick Leave Bank Committee in order for the member to continue to be eligible for a Sick Leave Bank grant.

When disability retirement is approved by the MSRS Board of Trustees and/or the Social Security Administration, any grant from the HCEA Sick Leave Bank that has been approved will automatically cease at the end of the month in which the disability was approved. Any remaining days will be returned to the Sick Leave Bank.

If disability retirement is denied by the Retirement Systems, the Sick Leave Bank Committee and the HCPS must be notified immediately by the member. A Sick Leave Bank recipient may lose his/her eligibility for a grant for each day the Sick Leave Bank Committee is not notified after the Sick Leave Bank member has received his/her denial. If a denial is received from the MSRS, the Sick Leave Bank Committee will review the doctor reports submitted to the MSRS, and it will determine whether benefits should continue, cease, or whether there is a need for another medical opinion at the applicant's expense.

Grant Extensions

After an applicant has drawn and used a grant from the Bank, he/she shall be required to provide a new up-to-date Sick Leave Bank Request Form and an up-to-date Sick Leave Bank Physician's Statement Form. The new application must be filed within the guidelines.

Applicants must submit requests for extension of Bank Leave grants five workdays before their current grant expires.

Applications for extensions of grants will not be considered unless accompanied by a new up-to-date statement from the physician.

Loss of Right to Use Sick Leave Bank

A member of the Sick Leave Bank will lose the right to use benefits of the Sick Leave Bank through:

- Termination of employment with the Harford County Public School System. This becomes effective as of the last day of employment.
- Employment with another employer or self-employed. Approval of a bank loan is automatically and immediately rescinded upon verification by the Sick Leave Bank Committee that the applicant is employed, including part-time and/or self-employment.
- Loss of Certification. A person is no longer eligible for membership in the Sick Leave Bank if they lose their certification.
- The member's suspension without pay or any illness occurring during the period of suspension. In the event that the suspension is overturned, Sick Leave Bank benefits will be retroactively reinstated.
- The member's voluntary cancellation during Open Enrollment, of his/her membership in the Sick Leave Bank as of the effective date of cancellation.
- The member's abuse or misuse of the rules of the Sick Leave Bank.
- The member's placement on an approved leave of absence for other than personal illness.
- Bank grants shall not be authorized for illness or disability for which the member is eligible for any disability retirement payment.

Sick Leave Bank Committee

The SLB Committee consists of three HCEA members named by the HCEA President and three representatives of HCPS named by the Superintendent.

Daily administration of the SLB is the responsibility of the HCEA office staff and the HCEA President.

All forms for application for participation in the Bank, grant request forms, and cancellation shall be available at the HCEA office, the Harford County Public School Human Resources office, and at each school office. These forms shall be sent to any eligible employee and/or member at his/her request.

ARTICLE XII

Extended Leaves of Absence

- 12.1 The Board of Education may grant leaves of absence for 1) personal illness; 2) maternity (including adoption); 3) study; 4) military service; and 5) illness of a member of the immediate family. Leaves for the first four of these reasons protect the teacher's right to apply for disability retirement, to continue to qualify for the death benefit in the retirement system, to be reemployed by the local school system in an appropriate position as soon as a vacancy occurs after the request for reinstatement, and to unused accumulated sick leave provided he or she applies for reappointment prior to the termination of his or her leave. When a teacher requests reassignment from a leave of absence, and due to a reduction in force there are teachers on a recall list for the same kind of teaching assignment the teacher left, the teacher on leave will be placed on the recall list according to the length of continuous service he or she has had with Harford County Public Schools.

Leaves of absence are without pay and are generally granted for no more than one (1) year.

- 12.2 In Harford County, the requirement to be eligible for a leave of absence is that the teacher must be a tenured teacher.
- 12.3 Since the Maryland Retirement Systems do not recognize a leave for illness in the immediate family, such a leave provides for reemployment by the local school system and to unused accumulated sick leave provided he or she applies for reappointment prior to the termination of his or her leave.
- 12.4 A tenured teacher finding it necessary to request a leave of absence should make written application to the Superintendent stating the reason, date he or she wishes it to become effective, and the number of months desired.
- 12.5 **Leave of Absence for Maternity.** Sick leave is granted for disability due to maternity. An employee using sick leave for disability due to maternity must return to work as soon as **the employee** is physically able, or a tenured **employee** may request a leave of absence to protect employment and retirement benefits. The need for and the time involved for absence due to disability for maternity shall be based upon the particular medical circumstances of the employee and the requirements of **their** employment. An employee may be required to submit a doctor's certificate establishing the medical need for absence and the time involved in the absence. The employee may also be required to submit a doctor's certificate stating that the employee is able to perform **their** regular duties. A tenured **employee** has the option of requesting a leave of absence for maternity prior to or at the conclusion of **their** disability. However, if an employee elects to request a leave of absence prior to her **their** disability, she **the employee** will not be granted sick leave during the leave of absence. **The employee's** unused sick leave will be held in abeyance until such time as **they** return to active service. **An**

employee who is on a leave of absence for maternity will be reemployed in an appropriate position as soon as a vacancy occurs after the request for reinstatement.

- 12.6 **Parental Leave: Eligible employees may seek 12 continuous workweeks of unpaid FMLA in a 12-month period for the birth of a son or daughter and bonding with the newborn child, or the placement of a son or daughter with the employee for adoption or foster care, and bonding with the newly-placed child. Eligible spouses who work for HCPS are each entitled to 12 workweeks of unpaid leave in a 12-month period for the aforementioned FMLA-qualifying reasons. Employees granted such leave shall return to their same position providing the employee returns by the end of the FMLA approved absence.**

Family and Medical Leave Act procedures regarding adoption can be found in HCPS Employee Handbook.

ARTICLE XIII Sabbatical Leaves

- 13.1 A teacher holding a professional certificate with seven (7) or more consecutive years of satisfactory, active service in Harford County Public Schools may be granted a sabbatical leave of absence for the purpose of furthering professional growth by means of graduate study or other means approved by the Superintendent. Previous leaves of absence will be considered as not causing the teacher to lose years of service credit prior to that leave. Leave time itself, in all cases, will not be regarded as active service insofar as determining the seven (7) year sabbatical leave eligibility requirement.
- 13.2 Sabbatical leaves may be granted for study or research (and travel if in conjunction with the study or research) that will be of service to the individual and to the schools and pupils of Harford County.
- 13.3 Sabbatical leave may be granted for not less than one (1) full semester or more than one (1) full year.
- 13.4 Any teacher to whom a sabbatical leave is granted shall be required, as a condition of accepting the leave, to return to the service of the Harford County Public Schools for at least two (2) years immediately following the expiration of the leave. Should the teacher not return to the service of Harford County, he or she will be required to refund the salary granted for sabbatical leave.
- 13.5 Applications for sabbatical leave must be filed with the Superintendent by April 1, prior to the school year for which it is requested with a proposed plan of study or research to which the time spent on leave will be devoted. After approval, any change of plan must be

requested in writing and approved in advance.

- 13.6 The applicant for sabbatical leave for study shall complete at least 24 semester units of upper division or graduate work during the sabbatical year. It will generally be expected that not less than 12 semester units shall be completed during each semester. If travel or extensive research is involved, a lesser total number of semester hours may be considered if approved by the college advisor. Transcripts or other evidence of completion shall be submitted to the Superintendent's Office within 30 days of the teacher's return to duty.
- 13.7 A sabbatical leave for travel will only be considered when the travel is in conjunction with an organized program of study or research. Application for leave shall include, in general terms, an itinerary of the proposed objectives of the study or research of which the travel is a part. Upon completion of the leave and within 30 days of the teacher's return to duty, a detailed itinerary and written report of not less than 1,500 words shall be submitted to the Superintendent's Office setting forth the teacher's reactions to the travel and a statement of the benefit to the schools and the pupils of Harford County. A description of the travel will not satisfy this requirement.
- 13.8 **Compensation While on Sabbatical Leave.** Compensation while on sabbatical leave shall be one-half (1/2) salary in accordance with the provision of the Harford County salary schedule in effect during the period of the leave.
- 13.9 In the event a teacher on sabbatical leave receives extra monies through any type of grant, the combined amount of those monies and the sabbatical leave allowance shall not exceed the amount of money this teacher would have received as a staff member for the school year in which the sabbatical leave has been granted. In cases where the combined monies exceed the regular salary, as outlined above, the sabbatical leave salary will be reduced accordingly.
- 13.10 Teachers receiving the support of a sabbatical leave will not be eligible to receive the usual payment for partial reimbursement for graduate studies.
- 13.11 Salary for sabbatical leave will be paid the teacher while on leave of absence in the same manner as if the teacher were on duty in Harford County, upon the furnishing by the teacher of a surety bond indemnifying the Board against loss in the event that the teacher fails to render at least two (2) years' service after return from his or her leave of absence. Such bond shall be exonerated in the event that failure of such teacher to return and render two (2) years' service is caused by the death or physical or mental disability of the teacher.
- 13.12 **Effect of Sabbatical Leave on Salary Increments, Retirement, and Sick Leave Accumulation.** The teacher's normal percentage rate of deduction for retirement purposes shall be applied to the actual salary received. The sabbatical leave year is counted as a year of service and experience on the salary schedule. There will be no sick leave accumulation for time spent on sabbatical leave.

- 13.13 **Provision for Health Insurance.** When a teacher is placed on a Board approved sabbatical leave of absence, he or she may continue to participate in the group program of health insurance and life insurance on the same basis as that of a full-time teacher.
- 13.14 **Return to Service.** At the expiration of the sabbatical leave of absence, the teacher shall be assigned to a position of equal status, but no guarantee can be given that it will be the same position he or she occupied at the time the leave was granted.
- 13.15 **Accident and Illness on Sabbatical Leave.** Interruption of a program of study or travel while on sabbatical leave, caused by serious illness or accident, evidence of which is satisfactory to the Superintendent and the Board shall not be held against a teacher with regard to the fulfillment of the condition regarding study or travel under which the leave is granted, nor affect the amount of compensation to be paid the teacher while on leave, provided, however, that the Superintendent has been promptly notified of such accident or illness. In the case of such accident or illness while on sabbatical leave, notification shall be made by registered letter, within 30 days of the time of the onset of the illness.

ARTICLE XIV Insurance

- 14.1 The Board will provide for group life insurance and for group accidental death and dismemberment insurance in an amount that will match the individual's salary rounded to the nearest \$1,000 based upon the salary schedules. This amount will not be changed during the year. A teacher may purchase an additional amount of supplemental life, spousal and dependent insurance at full cost (100%) to the teacher. The Board will make payment for a full twelve-month period commencing July 1 and ending June 30.

Benefits Advisory Committee – The Board agrees to establish a Benefits Advisory Committee to provide input into maintaining quality and affordable benefits. It is understood that the recommendations of the committee do not constitute negotiations and are only advisory.

The focus of this committee shall be to:

- a) Make recommendations on cost containment strategies
- b) Study, discuss, and recommend possible plan design changes
- c) Develop strategies to educate employees regarding benefit plans.

The Benefits Advisory Committee will meet at least six (6) times per year. The committee will report to the Board on its work in public session on an annual basis. A copy of the report will be forwarded to the HCEA President for possible negotiations.

The composition of the committee will include up to three (3) representatives appointed by and representing the Board, one (1) representative from the Association appointed by the President who is a current employee and enrolled in the HCPS health plan or the President may appoint himself/herself, (1) representative from each of the four (4) other employee groups appointed by their President or the President may appoint himself/herself, and one (1) person representing the retired employee's association. Neither the Board's or Association's committee representative(s) shall serve simultaneously as a member of a negotiating team.

The Association representative appointed to the committee shall be released from school duties, if necessary, for meetings of the committee without loss of salary whenever it is jointly decided to hold such meetings during the school day.

Operational ground rules for the Benefit's Advisory Committee will be established by the members of the committee.

- 14.2 The Board will make available for the duration of the Agreement the following health insurance programs to eligible employees who enroll in the programs:
- The HMO plan at a 95% /5% premium split
 - A Triple Health Option plan at an 85/15 premium split

The Board and the Association agree to make the following changes to the health insurance plans effective July 1, 2019:

1. Move from Formulary 1 to Formulary 2
2. Mandatory Maintenance Choice
3. Managed Pharmacy Network
4. Increase all Deductibles by \$50 individual / \$100 family
5. Increase all non-emergency room visit copayments by \$5 (excluding pharmacy)
6. Increase emergency room visit copayments by \$25
7. Increase prescription copayments by \$5 at all levels

Effective July 1 through June 30, the Board will similarly make available for the duration of the Agreement to eligible employees who elect to enroll therein the choice of either the standard dental insurance plan or the Preferred Provider Dental Insurance. The benefit period maximum for dental services shall be \$1500.

The Board will not provide two insurance programs, e.g. Blue Cross/Blue Shield and an HMO program; or two different HMO programs for any eligible employees or eligible members of their families. This applies to all employees and eligible members of their families whose spouses are also employees of the school system. However, if one employee's eligibility for participation is terminated for any reason, the other employee family member shall continue to be eligible for the existing coverage.

The Board will make available for the duration of the Agreement the opportunity for employees, who are eligible for health insurance, to participate in a Flexible Spending Account Plan (FSA). Employees enrolled in this Plan will be allowed to contribute up to the maximum amount allowable by law for the payment of non-covered medical expenses and for dependent care costs on a pre-tax basis. Employees enrolled in the Flexible Spending Account Plan will be allowed to contribute up to the maximum amount allowable by law for the payment of non-covered medical expenses.

The Board shall make available to eligible employees and their eligible family members, at no cost, an Employee Assistance Plan (EAP). The EAP made available to employees shall include the following components:

General Counseling	Stress
Relationship Issues	Anxiety
Parenting Issues	Financial Issues
Grief and Loss	Childcare Issues
Addiction	Caring for an Elderly Parent

In the event than an eligible employee seeks assistance from the EAP for a work-related stress issue, the contact person for the EAP shall be instructed to direct such inquiries to the Association in the first instance. In the event the Board wishes to add or delete services or to reduce the level of services provided to employees during the term of this Agreement, the Board shall notify the Association of its desire to negotiate such changes. Employee participation in and/or referral to the EAP shall be voluntary and confidential, except as to any disclosures required by applicable law. All personal treatment records generated as a result of an eligible individual's utilization of the EAP shall be maintained by the service provider and shall not be shared with the Board unless otherwise authorized by the eligible employee or the covered dependent, or by operation of applicable law. The contact person for the EAP services to be made available under this Agreement shall not be employed by the Board of Education.

- 14.3 **Board's Rate of Contribution** - The Board's rate of contribution to the coverage made available in 14.1 is 90% of the total premium. The Board's rate of contribution applicable to the coverage made available under 14.2 shall be 90% of the total premium for dental insurance.
- 14.4 **Board's Rate of Contribution – Part-Time Employees.** Effective July 1, 2012, Board contributions to all health and dental plans for teachers hired or transferred into part-time positions of less than 25 hours a week will be 50% of the Board's contribution for full time employees identified in this article.
- 14.5 All benefits provided under Maryland law for employees injured during and as a result of their work including death, injury, hospitalization, and medical and weekly disability

payments, and lump sum awards, are available through a standard Workers' Compensation policy.

Employees who are injured on the job and who qualify for weekly disability payments through Workers' Compensation will receive their salary, less the amount of the disability payments for up to 20 duty days. Employees may then use their accumulated sick leave in order to maintain their full salaries. After the 20th day of absence, one-third day of sick leave will be deducted for each day compensated by Workers' Compensation to maintain an employee's full salary.

- 14.6 All employees of the Harford County Public Schools must meet the requirements for medical screening for tuberculosis as established by the Harford County Department of Health. An appropriate skin test, as provided by the school system, will be made available to teachers free of charge.
- 14.7 Additional Benefits – The Board may provide additional benefits to employees for which participation is voluntary. The additional benefits must be mutually agreed upon by the Board and Association.

All statements of the teacher's opinions shall be clearly identified as such.
- 18.3 Should a tenured teacher seek and/or be elected or appointed to a public office which would necessitate prolonged absence from the classroom he or she shall request, and the Board shall grant a leave of absence, without pay for no more than one year.

ARTICLE XIX

Probation, Tenure and Evaluation

- 19.1 Tenure in a Maryland school system is a protection granted to teachers who have satisfactorily passed a period of probationary service, to continue in a teaching position in the system. It requires that such teachers keep their professional teaching certificate in force and that dismissal be only for reasons specified in the State School Laws.
- 19.2 **Probationary Teachers.** The first three (3) years of employment is the probationary period or up to two (2) years for teachers who achieved tenure in another Maryland school system as described in COMAR 13a.07.02.01. During each of these years a teacher shall be observed at least four (4) times by more than one qualified person as determined by the Superintendent. Upon the request of a teacher, a supervisor shall provide for a demonstration of the classroom technique or procedure in question. All observations of a classroom teaching performance shall be conducted openly.

19.3 Administrators and/or supervisors shall hold formal evaluation conferences each semester with all probationary teachers in Harford County. At that time, if appropriate, the teacher shall be advised by the principal that the principal will recommend that the teacher not be retained in the system.

19.4 Teacher Evaluations. Under normal circumstances, the teacher will be notified by September 30th of each year of the upcoming annual evaluation. Lack of this notification however will not prevent the evaluation process from proceeding as required by regulation.

When teachers are observed, they shall be provided written feedback before any future observations are conducted.

A written statement of evaluation will be prepared and reviewed with the teacher within a reasonable time after each formal evaluation conference. In the event that the teacher feels his or her evaluation is incomplete or unjust, he or she will append an addendum giving his or her point of view. The evaluation is, however, to be signed by the teacher; this signature means only that the teacher read the evaluation. A copy of this evaluation and addendum shall be filed in the school office, a copy shall be placed in the evaluation file in the Human Resources Department and a copy shall be given to the teacher.

19.5 Probationary teachers who will not be retained will receive notice in writing before May 1. For individuals employed on or after January 1 the notification date shall be not later than sixty (60) days prior to the anniversary date of employment of the first year or second year or not later than sixty (60) days prior to the third anniversary date of employment.

19.6 **Tenured Teachers.** Tenured teachers will receive formal evaluation conferences at least by the end of their fifth year in Harford County and at the minimum rate of once every five (5) years thereafter. All observations of a classroom performance shall be conducted openly. Under normal circumstances, the teacher will be notified by September 30th of each year of the upcoming annual evaluation. Lack of this notification however will not prevent the evaluation process from proceeding as required by regulation.

19.7 Principals and/or supervisors shall hold the formal evaluation conferences. After the conferences, a written statement of evaluation will be prepared and reviewed with the teacher within a reasonable time. Any material presented at the conference which was not previously known to the teacher shall be reviewed by the principal and the teacher before it may be entered into the written evaluation.

19.8 In the event that the teacher feels his or her evaluation is incomplete or unjust, he or she will append an addendum giving his or her point of view. The evaluation is, however, to be signed by the teacher. This signature does not indicate approval. A copy of this evaluation and addendum shall be placed in the evaluation file in the Human Resources Department and a copy shall be given to the teacher.

19.9 A teacher shall be able, upon appointment and with or without an associate, to review the contents of the evaluation file and the personnel/school file concerning them. This review shall

not include confidential materials such as reference letters or basic data received in the course of initial employment.

- 19.10 Complaints of a serious nature which shall be included in the personnel file of the teacher shall be brought to the attention of the teacher so that he or she may respond to them.

Following the completion of an investigation, complaints of a serious nature which will be maintained by the principal in the school file shall be brought to the attention of the teacher so that he or she may respond to them.

- 19.11 A teacher may attach a signed and dated addendum to these documents to which he or she has access.

ARTICLE XX

Discipline

- 20.1 The Board of Education and the Association support the need for each class to be a good learning environment free from interference from seriously disruptive pupils. The Board and Association also agree that consistent enforcement of clear and specific rules is vital to maintaining a safe, secure, and effective school environment for learning. All schools are urged to use their resources of successful professional experience, staffing allotment, and materials of instruction in the development of ways to help and to control the seriously disruptive child.
- 20.2 **Maintenance of Classroom Control and Discipline.** When, in the professional judgment of a teacher, a student is, by his or her behavior, seriously disrupting the instructional program to the detriment of other students, the teacher may exclude the student temporarily from the classroom and refer the student to the principal or designee.
- 20.3 When a student has been referred to the principal or designee for disciplinary action, the principal or designee shall confer with the teacher prior to returning the student to the classroom. Confer means a discussion or dialogue by any means, e.g., telephone, electronic mail, or an in-person conference, where the views of the teacher are communicated and considered. Plans for handling disruption of the teaching process should be ones in which teachers and principals work in concert to achieve this end.
- 20.4 Any teacher threatened with physical abuse in connection with his or her employment should immediately report the incident to his or her principal or designee. Serious incidents involving verbal abuse or outright disrespect shall be reported in a similar manner.
- 20.5 The Association and the Board of Education agree that consistent enforcement of clear and specific rules is vital to maintaining a safe, secure, effective school environment for learning. The parties encourage schools to incorporate conflict management strategies and student participation in the implementation of discipline policies.

ARTICLE XXI

Certification

- 21.1 **Certification.** The Code of Maryland Regulations (COMAR) requires that all teachers in Maryland public schools obtain and hold a Maryland certificate or a license in certain areas as otherwise provided in State law. Initial certification requirements and certificate renewal requirements are stipulated in COMAR 13A.12.01. It is the teacher's responsibility to make a written request to the Human Resources Office when all requirements for the initial Advanced Professional Certificate (APC) are complete.
- 21.2 **Planned Program of Study Beyond the Master's Degree.** The Board has approved increments for teachers who complete approved programs of study beyond the Master's degree. The purpose of the increments is to encourage teachers to continue in their studies in order that their work with children and youth may continue to increase in effectiveness.
- 21.3 The completion of college or university programs pursuant to COMAR 13A.12.01, related to PreK-12 public education, which yield a second Master's degree or advanced certificate/degree will be accepted as meeting the requirement of thirty (30) semester hours of approved course work beyond the Master's degree provided that no duplication of courses is involved. Teachers who are involved in a doctoral program but do not complete an organized program of course work which yields a degree from a college or university pursuant to COMAR 13A.12.01 may submit their college-directed program for approval. It will be necessary to have a statement from the teacher's advisor or other college official stating that the courses involved constitute a part of a definite program leading to the Doctor's degree.
- 21.4 Teachers who are not involved in a college-directed program but who wish to take further preparation beyond the Master's degree and to qualify for the salary increments for thirty (30) semester hours beyond the Master's degree may have their programs approved by the following procedures.
- 21.5 **General Statement**
- (A) The program must be planned to fulfill some acceptable professional objective and be related to PreK-12 public education.
 - (B) A minimum of fifteen (15) graduate credits, which are not duplicates of former course work, must be earned at regionally accredited colleges or universities which confer advance degrees. A maximum of fifteen (15) credits, which are not duplicates of former course work, may be earned as undergraduate courses at regionally accredited community colleges. Of these fifteen (15) credits, six may be earned through Maryland State Department of Education (MSDE) approved Continuing Professional Development (CDP)/in-service course.
 - (C) In general, the programs for secondary school teachers should include no more than two (2) areas of study.

- (D) In general, the programs for elementary school teachers should include no more than (3) areas of study.
 - (E) The plan itself must receive prior approval from the teacher's principal or supervisor and designated Human Resources representative.
 - (F) The planned program must be regarded as being flexible enough to allow for reasonable substitutions in courses or subjects to be taken. Teachers are asked to use the prepared +30 Course Substitution form available from Human Resources to request course substitutions.
 - (G) The planned program will have to be subject to review in the light of new information and new developments.
 - (H) Teachers are asked to use the prepared form available from Human Resources in submitting their plans of study for approval.
- 21.6 **Certification** – Teachers who seek the National Board Certification and receive prior approval of the Superintendent shall receive financial assistance equal to one half of the required program entry fees. Candidates who fail to successfully complete the program within the established time allotment will be required to reimburse the Harford County Public Schools for program entry fees. National Board Certified Teachers will be paid on the same scale as Master's Degree with Professional Certificate.

ARTICLE XXII

Personal Rights

- 22.1 No teacher shall be reduced in compensation or reduced in rank with a resulting reduction in compensation for arbitrary or capricious reasons.
- 22.2* Any discipline of an employee by a Supervisor shall be conducted in private, so as to avoid embarrassment to the employee, except when immediate action is required by the Supervisor in an emergency situation. Any disciplinary action should as a general matter be progressive in nature and issued in a timely manner after the Supervisor concludes the discipline should be imposed. The Supervisor reserves the right to omit any or all disciplinary steps when the gravity of the circumstances warrant doing so.
- 22.3* The teacher is recognized as the person with primary responsibility for determining the grades for the students in his or her class.
- 22.4* **Teachers' Citizenship Rights.** The Board of Education recognizes the citizenship rights of teachers. Should any section of this agreement be held to be violative of a teacher's citizenship rights under the law by a court of competent jurisdiction, such section of this agreement shall be deemed null and void.

- 22.5* **Self-Protection.** A teacher may, in accordance with the law, apply such amount of force as is reasonable and necessary for the purpose of self-defense.
- 22.6* Whenever a teacher is required to appear before the Superintendent, or his/her designee, for the purpose of discussing discipline, demotion, suspension or dismissal, the teacher shall be given the opportunity to have a representative of the Association present.
- 22.7* **Right to Respond.** A teacher may attach a signed and dated addendum to documents placed in his/her file.
- 22.8* The Board and the Association agree not to interfere with the right of the teacher to join and participate in the Association or not to join the Association.

*These provisions are not subject to the grievance procedure.

ARTICLE XXIII

Councils and Committees

- 23.1 **Faculty Advisory Committee.** A Faculty Advisory Committee composed of teachers shall be established in each school.
- 23.2 The committee will consist of not less than three (3) members or more than fifteen (15) members.
- 23.3 Members of the committee shall be elected in each school by the teachers during the month of September and shall serve through June 30. In case of resignation, transfer, or other reason an elected member cannot serve, a special election shall be conducted to choose a successor.
- 23.4 The purpose of the Faculty Advisory Committee will be to advise the principal with reference to procedures for the operation of the school.

The principal shall meet with the Faculty Advisory Committee at mutually agreeable times upon the call of either the Faculty Advisory Committee or the principal, but not later than ten (10) school days from the date of request. The principal shall respond to the committee within ten (10) school days after a meeting between the parties. The principal shall consider the advice of the committee and may submit topics to that committee for their study and advice.

- 23.5 **Advisory Instructional Council.** The Superintendent will appoint an Instructional Council whose composition will include teacher representation.

ARTICLE XXIV

Health and Safety

- 24.1 The Harford County Public Schools has the responsibility to provide safe school facilities and

to maintain them in a safe and adequate manner. Teachers are obligated to report any condition affecting the health and/or safety of pupils or employees of the Harford County Public Schools to the principal of the school where such condition is observed so that appropriate action can be instituted by the principal within a reasonable time.

- 24.2 Teachers shall not be required to search for explosives.
- 24.3 Teachers will cooperate fully in filling out “Standard Accident Report” forms so that the appropriate data can be gathered for use in a systematic accident prevention program.
- 24.4 **Health Report.** Each school will develop and maintain a list of those students whose parents or physicians have notified the school of a significant health problem which requires exceptional consideration in dealing with the student. This list will be available to review by all teachers, and it will be the responsibility of all teachers to avail themselves of the health records of the listed students with whom they will be involved.
- 24.5 The confidentiality of this recorded information will be preserved by those who have access to it.

ARTICLE XXV

Reduction in Force

In a reduction in teaching personnel within any segment(s) of the school system such as a subject field, and elementary assignment, a special assignment or a vocational teaching assignment, the determination of those who are to be separated will be in the following order:

1. Rehired, Retired Teacher
2. Non-tenured teachers holding provisional certificates
3. Non-tenured teachers holding regular certificates
4. Tenured teachers

At such time when teachers in the above categories are to be separated when all other factors are equal the length of continuous service in Harford County Public Schools, appropriate certification and ability to teach the available grade levels or subject areas shall be the determining factor. If available vacant positions exist, an affected teacher holding multiple valid Maryland certifications shall be offered an interview with the alternate content area supervisor.

The regularly certificated teachers who are separated shall be placed on a priority recall list for a period of two years and shall be recalled in inverse order of their separation when appropriate positions become available.

A teacher on the priority recall list shall be notified in writing of any vacancy which occurs in his or her field of certification and shall indicate in writing within ten (10) days of the receipt of the letter his or

her acceptance or rejection of the position. If the teacher rejects the position or cannot begin the new assignment within thirty (30) days from the date of notification, the teacher shall be deemed to have waived his or her rights to recall. However, a teacher who has accepted employment in another public school system in Maryland and is unable to get released from his/her employment contract may decline an offer to return to work and maintain recall rights if the offer is issued later than July 1, for a position which becomes available at the beginning of, or during, the following school year.

Leaves of absence will not be regarded as a break in the continuity of service although leave time will not count as active service.

The layoff and recall provisions of this article are subject to such Equal Employment Opportunity Commission guidelines or other employment programs as required of or adopted by the Board of Education in order to maintain existing or required staff balance.

Any action taken under this policy will not be subject to the grievance procedure; however, it shall be subject to the administrative complaint procedure.

MEMORANDUM OF UNDERSTANDING BETWEEN
THE HARFORD COUNTY BOARD OF EDUCATION
AND
HARFORD COUNTY EDUCATION ASSOCIATION

This Memorandum of Understanding constitutes an agreement between the Harford County Board of Education (Board) and the Harford County Education Association (HCEA). The HCPS Teacher Evaluation Model for the school year 2022-2023 is listed below. This is a one-year model and will expire June 30, 2023.

Measure		Percentage per Teacher's Evaluation All Levels
Professional Practice 65%	Domain 1: Planning and Preparation	15%
	Domain 2: Classroom Environment	15%
	Domain 3: Instruction	15%
	Domain 4: Professional Responsibilities*	20%
Student Growth Measures 35%	Student Learning Objective	35%
Total		100%

*Domain 4: Professional Responsibilities is rated as 20% with a breakdown of components 4b, 4c, and 4f equaling 10% and the Professional Development Plan (PDP) equaling 10%, which includes components 4a, 4d, and 4e.

"The Student Learning Objective (SLO) 35% of the total evaluation rating and is completely teacher directed. A teacher may decide to use a school wide SLO for his/her evaluation but are not mandated to do so as part of his/her student growth measures.

Observations:

1. During the 2022-2023 school year observers will utilize the full Danielson Framework. Observations will be rated on all three domains and their corresponding components. Evaluations will continue to be rated in all four domains as is current practice.
2. Any component not formally observed during the observation will default to an “effective” rating as per Maryland State Department of Education (MSDE).
3. Based on the employee’s instructional assignment, observations lasting a minimum of 30 minutes or the duration of the instructional period (e.g. related service-providers or a 20 or 25 minute speech/language lesson) will be conducted in a parallel format and may be completed by one or more qualified observers. If the lesson is in person, then the observation should be conducted in person. If the lesson is virtual, then the observation should be conducted virtually.

Student Learning Objectives:

4. Student Learning Objectives (SLO’s) will be teacher-developed, rated on the rubric below and must be submitted in TEOS prior to **November 21, 2022**. Formal meetings for the SLO will be optional and may be requested by the teacher.

SLO Rating Rubric for 2022-2023

Highly Effective HE	<ul style="list-style-type: none">• Teacher met or exceeded goal;• Provided supporting evidence; and• Explained specific strategies utilized to achieve goal.
Effective EF	<ul style="list-style-type: none">• Teacher was close to meeting goal;• Provided supporting evidence; and• Shared some strategies utilized to achieve goal.
Effective Developing ED	<ul style="list-style-type: none">• Teacher did not meet goal; and/or• Teacher provided some supporting evidence and/or strategies utilized to achieve goal.
Ineffective IE	<ul style="list-style-type: none">• Teacher did not submit a completed goal; and/or• Teacher did not provide documentation or strategies utilized to achieve goal.

Staff Not in a Full Evaluation Cycle:

1. Tenured teachers whose evaluation is only **Student Learning Growth** in the 2022-2023 school year with successful observations and evaluations over the past two years will **not require a formal observation** for the 2022-2023 school year. Evaluators will hold the student learning growth evaluation conference and access the Tenured Growth Evaluation

form in TEOS, select the appropriate rating for the SLO based on the rubric above, and submit the form for teacher signature.

2. Other staff members (school counselors, psychologists, media specialists, teacher specialists, instructional coaches, etc.) who are not in a full evaluation cycle for the 2022-2023 school year **will not require a formal observation or evaluation**. Evaluators will hold the SMART goal conference and access the Tenured Growth Evaluation form in TEOS, comment on the SMART goal, and submit the form for teacher signature. The SMART goal is not independently rated.

Staff in a Full Evaluation Cycle:

1. Non-tenured teachers during the 2022-2023 school year requiring a **Full Evaluation** who are performing overall, at minimum, Effectively, will participate **in a minimum of two observations and one evaluation conference** with their principal and/or supervisor. At minimum, one observation must occur prior to **November 21, 2022**. Non-tenured teachers currently on a Plan for Professional Growth (PPG) or rated overall “Effective Developing or Ineffective” on their first formal observation will receive a minimum of four observations with two evaluations. Non-tenured teachers and teachers identified for a PPG will develop the SLO and submit it to the principal for approval. If agreed, this item of the MOU would supersede the non-tenured terms spelled out in the agreed upon in the 2021-2024 Negotiated Agreement.
2. Tenured teachers holding an SPC or APC who are identified as having a **Full Evaluation** in the 2022-2023 school year **will participate in at least two observations** prior to engaging in their full evaluation process. The teacher will be given a Professional Practice rating based on the observations completed this year. SLO’s will be rated based on the 2022- 2023 rubric and will be included in the overall rating of the evaluation.
3. Other staff members (school counselors, psychologists, media specialists, teacher specialists, instructional coaches, etc.) who are identified as having a **Full Evaluation** in the 2022-2023 school year **will participate in at least two observations** prior to engaging in their full evaluation process. The teacher will be given a Professional Practice rating based on the observations completed this year. The SMART goal is not independently rated and will be considered in the rating of Domain 4. This is consistent with the current evaluation process.

Professional Development Plans and Plans for Professional Growth

1. Teachers in a **Full Evaluation Cycle** must update their Professional Development Plan (PDP). All others may opt to revise their PDP or continue with the established PDP from previous years. If needed, the PDP should be updated by **November 21, 2022**, and will be included in the rating for Domain 4: Professional Responsibilities for evaluations.
2. Teachers on a Plan for Professional Growth (PPG) and/or second-class certification teachers will engage in a **minimum of two observations with an evaluation** this school year and will work with their principals and supervisors to determine the relevance of the domains and components in the PPG, their alignment with the full Danielson Framework and adjust

their PPG as needed.

3. The proposed changes in the Teacher Evaluation Process for the 2022-2023 school year will not change a teacher's evaluation cycle. The intent of this process is for everyone to remain in his/her current evaluation cycle. These amended provisions for the observation and evaluation process are in place for the 2022-2023 school year.

Calculation of Evaluation Ratings

Rating of Teacher Professional Practice (65% of Overall Rating)		
Level of Performance	Point Value	Range
(I) Ineffective	0	$T < 0.31$
(ED) Effective Developing	1	$0.31 \leq T < 1$
(E) Effective	2	$1 \leq T < 1.65$
(HE) Highly Effective	3	$1.65 \leq T \leq 1.95$
Rating for Professional Practice Formula: $T = D1(0.15) + D2(0.15) + D3(0.15) + D4(0.2)$		
$D1, D2, D3,$ and $D4$ = The domain ratings which are multiplied by the appropriate weight, yielding T , the rating of Teacher Professional Practice		
Example: A teacher receives a rating of Effective in Domains 1 and 2 and Highly Effective in Domains 3 and 4. The calculation would be as follows: $T = 2(0.15) + 2(0.15) + 3(0.15) + 3(0.2) = 1.65$ In this example, the teacher's overall rating for Professional Practice would be Highly Effective .		
Rating of Student Learning Objective (35% of Overall Rating)		
Level of Performance	Point Value	Notes
(I) Ineffective	0	The overall rating for a teacher's SLO is based upon the target population.
(ED) Effective Developing	-1	
(E) Effective	2	
(HE) Highly Effective	3	
Example: Fifteen students in my class of 20 students who have at least an 80% attendance rate will make expected gains in mathematics by June 2023 as identified by mathematics benchmark assessments. All 20 students in my class met the attendance rate of at least 80%.		
Results: HE: The teacher met or exceeded the goal. In this example, if at least 15 students met the goal, the rating would be determined to be HE . EF: The teacher was close to meeting the goal. In this example, if 13 students met the goal, the rating would be determined to be EF . ED: The teacher did not meet the goal. In this example, if only 10 students met the goal, the rating would be determined to be ED . I: The teacher did not submit a goal or provide appropriate documentation or strategies.		

Overall Rating of Teacher Evaluation Model		
Level of Performance	Point Value	Range
(I) Ineffective	0	$R < 0.6$
(ED) Effective Developing	1	$0.6 \leq R \leq 1.7$
(E) Effective	2	$1.71 < R \leq 2.6$
(HE) Highly Effective	3	$2.61 < R \leq 3$
Overall Rating for Teacher Evaluation: $R = T(0.65) + SLO(0.35)$		
T = Rating for Professional Practice SLO = Rating for the Student Learning Objective		
Example: A teacher receives a Professional Practice Rating of Highly Effective and a SLO Rating of Effective. The calculation would be as follows:		
$R = 3(0.65) + 2(0.35) = 2.65$		
In this example, the teacher's overall rating would be Highly Effective .

**Harford County Public Schools
Teacher Specialist Appraisal Process
School Year 2022-2023**

Drafted 6.03.21 for informational purposes.

Using the criteria set forth in COMAR, the following groups of teachers are not included in the Teacher Evaluation Model: school counselors, media specialists, reading specialists, therapists, school social worker, school psychologists, planetarium teachers, speech and language therapists, Harford Glen teachers, curriculum specialists, instructional coaches, and teacher specialists. These certificated staff members will follow the same observation/evaluation process as classroom teachers. However, the requirement for Student Learning Objective (SLO) component is replaced by a SMART Goal component.

The HCPS Teacher Evaluation Model for school year 2022-2023 is listed below. This is a one-year model and will expire June 30, 2023.

Measure		Percentage per Teacher's Evaluation All Levels
Professional Practice 65%	Domain 1: Planning and Preparation	15%
	Domain 2: Classroom Environment	15%
	Domain 3: Instruction	15%
	Domain 4: Professional Responsibilities*	20%
Student Growth Measures 35%	Student Learning Objective^	35%
	Specialist SMART Goal	Not Rated
Total		100%

*Domain 4: Professional Responsibilities is rated as 20% with a breakdown of components 4b, 4c, and 4f equaling 10% and the Professional Development Plan (PDP) equaling 10%, which includes components 4a, 4d, and 4e.

Harford County public schools will utilize the following appraisal process for teachers in specialist roles:

Observations:

1. During the 2022-2023 school year observers will utilize the full Danielson Framework. Observations will be rated on all three domains and their corresponding components. Evaluations will continue to be rated in all four domains as is current practice.
2. Any component not formally observed during the observation will default to an “effective” rating as per Maryland State Department of Education (MSDE).
3. Based on the employee’s instructional assignment, observations lasting a minimum of 30 minutes or the duration of the instructional period (e.g. related service-providers or a 20 or 25 minute speech/language lesson) will be conducted in a parallel format and may be completed by one or more qualified observers. If the lesson is in person, then the observation should be conducted in person. If the lesson is virtual, then the observation should be conducted virtually.

Tenured Full Evaluation Year:

- The specialist observation/evaluation will be conducted by one or more qualified observer(s).
- Other staff members holding an SPC or APC who are identified as having a **Full Evaluation** in the 2022-2023 school year **will participate in at least two observations** prior to engaging in their full evaluation process. The full evaluation will include the components of Professional Practice and one SMART Goal.
- The Professional Practice component will include ratings from each Domain to determine an overall rating.

SMART Goal Component will be reviewed every year. This component is not calculated in the overall rating.

- SMART Goal(s) will be teacher-developed and data-driven, and updates must be submitted in TEOS prior to **November 21, 2022**. Formal meetings for the SMART Goal will be optional and may be requested by the staff member.
- The Specialist will establish a baseline data and collect evidence of growth beginning, middle, and end of year to share/discuss at the end of year evaluation conference.

SMART Goal Rating Rubric for 2022-2023

Highly Effective HE	<ul style="list-style-type: none">• Teacher met or exceeded goal;• Provided supporting evidence; and• Explained specific strategies utilized to achieve goal.
Effective EF	<ul style="list-style-type: none">• Teacher was close to meeting goal;• Provided supporting evidence; and• Shared some strategies utilized to achieve goal.
Effective Developing ED	<ul style="list-style-type: none">• Teacher did not meet goal; and/or• Teacher provided some supporting evidence and/or strategies utilized to achieve goal.
Ineffective IE	<ul style="list-style-type: none">• Teacher did not submit a completed goal; and/or• Teacher did not provide documentation or strategies utilized to achieve goal.

Staff Not in a Full Evaluation Cycle:

Other staff members (school counselors, psychologists, media specialists, teacher specialists, instructional coaches, etc.) who are not in a full evaluation cycle for the 2022-2023 school year **will not require a formal observation or evaluation**. Evaluators will hold the SMART goal conference and access the Tenured Growth Evaluation form in TEOS, comment on the SMART goal, and submit the form for teacher signature. The SMART goal is not independently rated.

Staff in a Full Evaluation Cycle:

Other staff members (school counselors, psychologists, media specialists, teacher specialists, instructional coaches, etc.) who are identified as having a **Full Evaluation** in the 2022-2023 school year **will participate in at least two observations** prior to engaging in their full evaluation process. The teacher will be given a Professional Practice rating based on the observations completed this year. The SMART goal is not independently rated and will be considered in the rating of Domain 4. This is consistent with the current evaluation process.

Professional Development Plans and Plans for Professional Growth

Teachers in a **Full Evaluation Cycle** must update their Professional Development Plan (PDP). All others may opt to revise their PDP or continue with the established PDP from previous years. If needed, the PDP should be updated by **November 21, 2022**, and will be included in the rating for Domain 4: Professional Responsibilities for evaluations.
