About Harford County Public Schools

Approximately 38,000 students are enrolled in HCPS. The school system has the eighth largest student enrollment of the 24 public school systems in Maryland. Approximately 5,200 people are employed by the school system to provide the necessary educational programs and supporting services for the students.

Currently, in the Harford County public school system, there are 33 elementary schools, nine middle schools, nine comprehensive high schools, the John Archer School (a separate public day school for students with disabilities), Harford Technical High School and the Alternative Education Program – a total of 34 schools.

Based upon firm beliefs in the value of youth and the obligations of public education to educate each of them effectively, the Harford County public school system provides comprehensive instructional programs and related student activities for the youth who are currently enrolled. Half-day prekindergarten classes are available for four-year-olds at 11 of the Harford County public elementary schools. Full-day prekindergarten classes are available for four-year-olds at eight of the Harford County public elementary schools. A systemic kindergartens program begins public education for five-year-olds with all 33 elementary schools offering full-day kindergarten. A carefully planned and appropriately sequenced curriculum extends learning from elementary, middle and high school grades toward graduation. Special programs and services are provided to accommodate the unique needs of each student, including those who possess exceptional abilities, talents and/or disabilities.

The decision to close is made by the Superintendent of Schools as early as possible. In the vast majority of cases, this is prior to 5:00 a.m. On the morning in question, the determination is made after consulting with the state police, the HCPS Transportation Office, the Sheriff’s Office, the state and county highway departments, and other sources of information in different parts of the county and state. If a reevaluation is needed, the reevaluation will occur by 6:15 a.m. on the morning in question.

VOLUNTEERING AND VISITATION IN SCHOOLS:

Volunteering* — Hundreds of persons each year assist students in the schools by donating their time to work in classrooms, libraries and health rooms. These individuals make valuable contributions to the educational system by working directly with children or by performing duties that allow others to give students more individual attention.

Volunteers are selected at the school level and assigned specific duties. Before they actually begin work, they participate in meetings that are designed to help them become familiar with the school program and their new roles. Following these general meetings, the teacher and the volunteer meet to discuss classroom standards, routine operations and duties to be performed. Persons interested in donating their services should contact the schools in which they would like to volunteer.

*Due to the COVID-19 pandemic, volunteering may not occur, or may be restricted, for the duration of the 2020-2021 school year. Please contact your school’s principal for more information.

ATTENDANCE: Daily attendance is crucial to student achievement and required in order to demonstrate mastery of material and receive credit for courses. Students are expected to attend school and all classes regularly and to be punctual. Upon returning to school from an absence, a student is required to bring a written note from a parent/guardian stating the reason for each absence within three school days of the student’s return to school.

General Regulations —

- Each child who resides in this state and is five years old or older and less than 18 years of age, shall attend a public school regularly during the entire school year, except as provided by specific provisions of Maryland law or regulation.
- A student is considered in attendance at school when participating in school-sponsored activities during the school day, and when that participation is approved by the local superintendent of schools, the school principal, or their designees.

Recording Attendance —

- Students Scheduled for a Full Day — A student is counted present for a full day if the student is in attendance four hours or more of the school day. A student is counted present for a half day if in attendance for at least two hours of the school day, but less than four hours. A student is counted as tardy to school if the student is absent less than two and one-half hours in the morning. It is considered an early dismissal if the student is absent less than two and one-half hours before dismissal.
- Late Opening or Early Dismissal of School due to Inclement Weather or Planning Day — A student is counted present for a full day if absent no more than 30 minutes of the school day. A student is counted present for half day if present for at least two hours in the morning. It is considered an early dismissal if the student is absent less than 30 minutes before dismissal.
- Students Scheduled for a Partial Day — A student scheduled for a partial day is to be counted present based on the amount of time he/she is scheduled. Example: A student scheduled for a two-hour block of time will be counted present for a full day if the student is in attendance for that entire block of time. If the student is absent for that entire block of time, the student will be counted absent for a full day. A student scheduled for a two-hour block of time will be counted present for one-half day if the student is in attendance for one hour.

  - Death in the immediate family.
  - Illness of the student — The principal may require a physician’s certificate from the parent/guardian of a student reported continuously absent for illness. Continuously absent means either a number of consecutive absences or total absences in excess of the standard for regular attendance for which, in the principal’s judgment, medical documentation is required.
  - Court summons.
  - Hazardous weather conditions — Hazardous weather conditions that would endanger the health or safety of the student when in transit to and from school.
  - Work approved or sponsored by the school, the local school system, or the State Department of Education, accepted by the local superintendent of schools, the school principal, or his/her designees, as reason for excusing the student.
  - Observance of a religious holiday — The absence of a student to participate in the observance of a major religious holiday shall not prevent him/her from achieving a “Perfect Attendance” certificate or other appropriate recognition for attendance.
- Unlawful Absence — An absence, including an absence for any portion of the day, for any reason other than those cited as lawful is required to bring a written note from a parent/guardian stating the reason for each absence exceeding 9 consecutive days.

Requests that exceed five days per year may be approved by the superintendent’s designee and may result in the withdrawal of students who have prior written approval of the principal and do not exceed five days per school year. Written requests must be made at least ten school days in advance of the requested vacation absence and after approval, parents/guardians and students are responsible for requesting assignments. If a family vacation or trip is not approved by the school principal, the parent/guardian may contact the appropriate executive director to discuss the matter. Requests that exceed five days per year may be approved by the superintendent’s designee and may result in the withdrawal of the student for the time in which the child is not in attendance, if the absences exceed 9 consecutive days.

- Unlawful Absence — An absence, including an absence for any portion of the day, for any reason other than those cited as lawful is presumed to be unlawful and may constitute truancy.
- Truant Student — A student who is absent for a school day, or a portion thereof, without lawful cause.
- Chronically Absent - A year-to-date absent rate of 10 percent or more, including both lawful and unlawful absences.
- Repeated unlawful absences will require a school conference between the appropriate school personnel and parent/guardian and may result in a referral to the pupil personnel worker.
- Tardiness — Any student arriving up to two and one-half hours late to school shall be considered late to school. More than two and one-half hours late would be considered absent one-half day.
day. Students arriving with less than two hours remaining in the school day would be considered absent the entire day. Students leaving school with more than two and one-half hours remaining would be considered absent one-half day. Individual schools have defined opening times when students are expected to be present. Students arriving after the designated time are marked tardy; however, depending upon the time of arrival, the student may be considered absent for a half day. Excessive tardiness will require the school to take disciplinary action.

Standard for Regular Attendance and Actions or Consequences for Not Meeting the Standard — the standard for regular attendance is the minimal requirement for student attendance in order to permit continuity in the instructional program. The standard includes both lawful and unlawful absences within a marking period, semester or school year. Students will be defined as chronically absent if they are enrolled at least 10 days in a school and absent at least 10 percent of the time, regardless of the reason.

The actions taken when the standard is not met should reflect a continuum of consequences for increasing absenteeism. School officials may waive those actions when they are aware of circumstances beyond the student's control, such as documented chronic illnesses, etc. In addition, students who receive services under an Individualized Education Plan (IEP) or 504 Plan may not necessarily be subject to the consequences for failing to meet the attendance standard.

• All Schools - Beginning with the fourth absence, early dismissal and/or tardiness, the parent/guardian will be notified in writing. Continuing absence and/or tardiness of the student will result in the initiation of one or more of the following actions:
  - Conference with the parent/guardian, student and the principal or designee.
  - Referral to the Office of Student Support Services and/or the pupil personnel worker for appropriate intervention.
  - Probationary time period - verbal agreement.
  - Written contract.
  - After-school detention.

Saturday school (non-teaching day attendance).

- Removal of school privileges.
- Restriction of extracurricular activities.
- In-school suspension (due process procedures followed).
- Referral to the Office of Student Support Services for possible outside referral to court for violation of the compulsory attendance law or to Juvenile Services for intake services.

- High Schools – Following the second day of unlawful absence in a semester course, the parent/guardian will be notified in writing of the imminent danger of loss of the one-half credit for the course. On the fifth day of unlawful absence, the student may lose credit for the semester course. Parents/Guardians will be notified in writing of the loss of credit and made aware of the appeal process.

Following the sixth day of unlawful absence in a full-year course, the parent/guardian will be notified in writing of the imminent danger of loss of the full one-credit for the course. On the 11th day of unlawful absence, the student may lose credit for the full-year course. Parents/Guardians will be notified in writing of the loss of credit and made aware of the appeal process.

- Elementary and Middle Schools – Students who have been absent 20 days by the end of the third quarter must be reviewed for possible retention during promotion/promotion conferences.

Make-up Work Procedures — There is no make-up work obligated to students who have been unlawfully absent from school. The make-up work policy for lawful absences shall be:

• It is the responsibility of the student/parent/guardian to request missed assignments within the requested timeframe.

• Students shall be given the number of days equal to the number of days absent to turn in completed make-up work. Assignments may be provided, when possible, in advance of a lawful absence if requested by a parent/guardian at least five days in advance of the absence and approved by the principal or designee. Submission of the make-up work provided in advance is required upon the return of the student to school unless extenuating circumstances have been documented.

• The teacher shall provide the required make-up work in accordance with the method chosen by the teacher and shall collect and correct the make-up work. A reasonable timeline for the completion of the work will be established by the teacher. It is recommended that this exchange of completed and newly assigned work be done on a weekly basis.

• The student will be accountable to complete all assigned make-up work.

• All make-up work will be graded in accordance with the regular classroom grading policy as long as it is completed within the established timeline.

• The make-up work requirements for students who have been suspended or expelled shall comply with COMAR 13A.08.01.11 as follows:
  - Students suspended for more than three school days, or expelled, and who are not placed in an alternative education program, shall receive daily classwork and assignments from each teacher which shall be reviewed and corrected by the teachers on a weekly basis and returned to the student.
  - The principal of the school shall assign a school staff person to serve as liaison between the teacher and the suspended/expelled student and parent/guardian to provide communication weekly about classwork assignments and school related issues by phone or email.

SCHOOL ASSIGNMENT: All schools will have designated attendance areas determined by the Board of Education. Students admitted to school in Harford County are assigned to schools serving the school attendance area in which the parent/guardian are domiciled. Students are required to attend the schools to which they have been assigned unless reassigned by the superintendent/designee; they receive an approved boundary exception, or as otherwise permitted by law, regulation, or board policy.

Boundary Exceptions — Board of Education policy stipulates that students will attend the schools that serve the area in which they reside with their parent(s) or legal guardian. A boundary exception is special approval for a student to enroll at a school outside of the student's designated attendance area. Each boundary exception request is investigated and evaluated for approval on an individual basis in accordance with the Boundary Exception Procedure, located at hcps.org under the Board of Education tab. To apply for a boundary exception, please contact your child’s Pupil Personnel Worker (PPW).

Proof of Domicile — When registering for admission into any Harford County public school, proof is required that the prospective student and parent/guardian are domiciled in Harford County.

The following documents are required:
  - A current monthly utility bill (turn off notices not accepted)*
  - Pay Stub*
  - W-2 Form
  - Car, Homeowner, or Renter’s Insurance Declaration page
  - Government or official correspondence
  - Change of address card from Motor Vehicle Administration or Post Office
  - Credit card statement*
  - Cell phone bill*

*These documents must be dated within 30 days from date of enrollment.

Families who do not have a house or apartment of their own, but live with a relative or friend, are required to submit a notarized Multi-Family Affidavit as proof of residency for each year the student and parent/guardian are in a shared housing/multi-family living arrangement. Review of the shared housing/multi-family living arrangement will be conducted by the PPW in your attendance area. Special documentation must be on file.

In cases in which the school questions the accuracy or completeness of the enrollment information, or when the parent/guardian cannot provide all of the necessary information, the parent/guardian is directed to contact the school’s PPW to assist with the admission process.

Educators (teachers, school counselors, or other employees of the school system), as well as volunteers working in the schools, are required to report the incident. Individuals reporting child abuse or neglect in good faith are immune from any civil liability or criminal penalty.

**FACILITY INFORMATION:**

**Use of School Facilities** — The Board of Education of Harford County encourages the use of HCPS facilities by the school community in accordance with Section 7-108 of the Education Article of the Maryland Annotated Code and the HCPS Use of Public School Facilities (UOF) Procedure. Please utilize the UOF application at www.hcps.org or call the Office of Operations at 410-588-5256.

**Integrated Pest Management and Notification of Pesticide Use in a Public School Building and on School Grounds** — Integrated Pest Management (IPM) is a system of controlling pests that does not depend on automatic application of pesticides. As implemented by Harford County Public Schools, pests are monitored by routine inspections. The program utilizes a system of inspection, documentation, communication with building occupants, and evaluation of any required actions. An effective pest control program is currently in place.

The IPM program places a priority on non-chemical pest management techniques. However, there will be occasions when pesticide application is necessary. Application will be done in a manner sufficient to minimize potential exposure to occupants and the building environment.

In compliance with regulations as set forth by Maryland Department of Agriculture, notification will be made to the parent(s)/guardian(s) of all elementary students and secondary students and staff on the school’s notification list. If you are the parent/guardian of a student attending a secondary school or are a member of Harford County Public Schools staff and wish to be notified of all pesticide applications, contact school administration to request written notification.

In addition, notification of pesticide applications will be provided to parents/guardians and staff members through the use of the Internet, phone, or email. For those parents/guardians or staff members who do not have access to the Internet, phone, or email, or who wish to be notified via non-electronic formats, the school district will provide paper copies of the pesticide list and notices of pesticide application.

Information about pesticides or bait stations that may be used in school buildings or on school grounds when non-chemical techniques are exhausted or inappropriate can be obtained through the Facilities Management Department, 2290 Conowsongo Road, Bel Air, MD 21015. The Executive Director of Facilities Management serves as coordinator and maintains product labels and safety data sheets for each product. Currently, these pesticides and bait stations include (by common name) Amorphous Silica Gel, Borate, Borax, Bromadiolone, Bromethalin, Carbon, Carbaryl, Cypermethrin, D-Ethyl Allethrin, Deltamethrin, Dichlorophene, Dimethyllamine salt of 2,4 and Fipronil, Glyphosate, Hydramethylnon, Iprodione, Imidacloprid, Methoprene, methochlor, Naphthalene, Ortho-Boric Acid, Oxadiazon, Permethrin, Potassium Salt of Fatty Acid, Pyrethrins, Resmethrin, Sodium Nitrate, Prometil 25E and Sulfur.

The public can review this information by contacting the program coordinator at 410-638-4088. Copies can be obtained for the cost of reproduction. A more detailed description of IPM techniques employed by HCPS may be found in the IPM manual located at each school site. For further information regarding Harford County Public Schools IPM program, contact the Executive Director of Facilities Management at 410-638-4088.

**Notification of AHERA Inspection & Management Plan Compliance** — This notification is to inform interested parties such as teachers, school personnel and parents/guardians about the Asbestos Hazard Emergency Response Act (AHERA) requirements and the actions taken by Harford County Public Schools to comply with AHERA regulations. On October 30, 1987, the AHERA regulations were published in the Federal Register, pages 48182 to 48188, titled “Asbestos Containing Materials in Public Buildings.” The building inspector should locate asbestos containing material (ACM) within each school building and in a management plan for each building. Building inspections have been conducted by an Environmental Protection Agency accredited Building Inspector. Management plans have been written by an Environmental Protection Agency accredited management planner for each school, cataloging ACM found by the building inspection.

Building inspections and management plans have been completed for all Harford County Public Schools. These documents have been submitted to the State of Maryland in compliance with AHERA’s May 9, 1989, deadline. The individual building reports include schedules for periodic surveillance of ACM, re-inspection to be conducted by an accredited Environmental Protection Agency building inspector, and response actions planned, as well as those already completed. The first re-inspection of HCPS buildings were completed in 1992; and subsequent re-inspections were performed in 1995, 1996, 2001, 2004, 2007, 2010, 2013, 2016 and 2019.

Management plans are available for public review at school administrative offices. To minimize confusion, and in order for a representative of the school system to be available, all who wish to review the reports are requested to make an appointment with school administrators. Public viewing is at no cost to the individual. Copies of the various reports are made available for a fee based upon the copying costs of the individual report requested.

Many Harford County public schools do have ACM, and all schools that do have ACM have identified and catalogued it in their management plans. These materials are monitored by school and facilities staff, and re-inspected every three years by certified inspectors. In the event that deterioration is noted, our maintenance action in the area of the materials requires that the ACM be removed. It is removed only by certified contractors, with monitoring by a separate industrial hygiene contractor. No other than certified contractors, not school staff, not teachers, not students, and not parents/guardians - should ever take it upon themselves to attempt to remove known or suspected asbestos containing materials for any reason.

**Notification of Sampling for Lead in Drinking Water** — Medical research shows lead to be a toxic metal which can be harmful to human health even at low exposure levels. As evident by research, young children, infants and fetuses are particularly vulnerable to lead exposure at lower exposure limits than adults. The effects are observed in physiological and behavioral symptoms.

The degree of harm from lead depends upon the total exposure to lead from all sources, and is cumulative over your lifespan. Children, as well as adults, continue to be exposed to lead from a number of sources, including dust from lead paint, soil, food, and water. For more information on these sources, please contact the Harford County Health Department at 410-838-1500, or the Maryland Department of the Environment at 410-537-3000.

In October 1988, Congress passed the Lead Contamination Control Act in order to prevent lead contamination of drinking water in schools and daycare centers. The Act required the Environmental Protection Agency (EPA) to publish a list of water coolers that were known to contain lead. It also required schools and daycare centers to take actions to reduce lead from other sources of drinking water to no more than 15 parts per billion.

The Lead and Copper Rule required small water systems to complete initial monitoring of their drinking water supply by December 31, 1993. HCPS has completed the initial testing and continues to meet the requirements as issued by the EPA. Those requirements include corrosion control, source water treatment, and public education for systems that exceed the action level of 15 parts per billion (ppb) or 0.015 milligrams per liter (mg/L).

In 2017, the Maryland General Assembly passed a law requiring all public and nonpublic school systems to test for lead at all water outlets which could be utilized for consumption at schools serviced by a public water system. The regulation went into effect on April 9, 2018. Any outlet which exceeds the action level of 15 parts per billion must have a remedial action plan implemented. Notification must go out to all students and staff within 10 school days of receiving results above the action level. The initial testing for HCPS was completed by July 1, 2019.

Results from testing done by HCPS are on file in the administrative offices for the school system, and are available for inspection by the public. Regular monitoring of the drinking water continues. Any questions may be directed to the Executive Director of Facilities Management at 410-638-4088.

**IMMUNIZATION REQUIREMENTS:** The State of Maryland has established immunization requirements for all students entering or enrolled in Maryland schools. These requirements are subject to change based on state mandate. Requirements to achieve complete immunization status include the following:

- Diphtheria, tetanus, and pertussis (whooping cough), (DTPa, DTpa) – four doses of vaccine for all students less than 7 years old. Three doses are required for children 7 years of age and older. If DT is given in place of DTP or DTpa, a physician documented medical contraindication is required.
- Polio vaccine – three doses for all students less than 18 years of age or proof of immunity by positive blood test.
- Measles, mumps and rubella – two doses of measles, mumps and rubella vaccine received on or after student’s first birthday, or proof of immunity by positive blood test for students entering kindergarten–grade 12. PreK students under 60 months of age require one dose of measles, mumps and rubella; preschool students 60 months of age or older require two doses of measles, mumps and rubella vaccine.
- Varicella – one dose of varicella (chicken pox) vaccine is required for students less than 13 years of age, administered on or after student’s first birthday in PreK and grades 6-12; or two doses required for all students in kindergarten through grade six, and previously unvaccinated students 13 years of age and older.
- History of varicella (chicken pox) documented by a health care provider including month and year of disease or a positive blood test will be accepted as proof in lieu of vaccination.
- Hepatitis B vaccine – three doses or a positive blood test for students entering PreK-grade 12.
- Tetanus, diptheria, pertussis booster (Tdap): one dose for all students in grades seven through 12.
- Meningitis (MCV4, MPSV4): one dose required for all students in grades seven through 12.

Students enrolled in PreK programs must also:

- Have received one dose of Pneumococcal vaccine (PCV 7, PCV 13, PCV 24 or Prevenar) if they are 24-59 months of age.
• Have received Haemophilus influenza—type b vaccine (Hib) if they are 24-59 months of age. At least one dose of Hib must be administered on or after the first birthday.

Upon record review, a vaccine dose given less than or equal to four days before the minimum interval or age may be counted as valid. Proof of immunity by blood test is acceptable in lieu of vaccine history for Hepatitis B, polio, measles, mumps, and rubella, but revaccination may be more expedient. Official documentation is recorded on the Maryland Immunization Certificate, DHMH 896. This form is available from the schools. If you have documentation from another source, please consult with the school nurse. It is the parent/guardian's responsibility to provide the school with proof of immunization.

**PRIVACY RIGHTS OF STUDENTS & PARENTS/GUARDIANS:**

The Family Educational Rights and Privacy Act (FERPA)/Student Records.

**Definitions —**

- **Directory Information** – Data or information including (a) the name of the student, his/her parents/guardians and family members; (b) address; (c) social security number or student number; (d) a list of personal characteristics which would make it possible to identify the student with reasonable certainty; or (e) other information which would make it possible to identify the student with reasonable certainty.

- **Student Records** – Records that are: (a) directly related to a student; and (b) maintained by Harford County Public Schools or by a party acting for Harford County Public Schools.

**Notification of Rights under FERPA —** The FERPA affords parents/guardians and students who are 18 years of age or older (“eligible students”) certain rights with respect to the student’s records. These rights are:

- The right to inspect and review the student’s records within 45 days after the day the school receives a request for access. Parents/Guardians or eligible students who submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent/guardian or eligible student of the time and place where the records may be inspected.

Under certain circumstances you may have the right to receive copies of your child’s records or to access them sooner than the 45 day time period set forth above. Please contact your child’s school to receive an explanation of these rights.

- The right to request the amendment of the student’s records that the parent/guardian or eligible student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. Parents/Guardians or eligible students who wish to ask the school to amend a record should write the school principal, clearly identify the record they want changed and specify why it should be changed. If the school decides not to amend the record as requested by the parent/guardian or eligible student, the school will notify the parent/guardian or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedure will be provided to the parent/guardian or eligible student when notified of the right to a hearing.

- The right to provide written consent which authorizes the school to disclose personally identifiable information (PII) from the student’s records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed or hired by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff), school resource officer or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant or therapist, a parent/guardian or student voluntarily serving on an official committee, such as a disciplinary or grievance committee; or a parent/guardian, student or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student’s enrollment or transfer.

- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the office that administers FERPA: Student Privacy Policy Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202.

**Notice for Disclosure of Directory Information —** FERPA requires that Harford County Public Schools, with certain exceptions, obtain written consent prior to the disclosure of personally identifiable information from your child’s education records. However, Harford County Public Schools may disclose appropriately designated “directory information” without written consent, unless you have advised the district to the contrary in accordance with district procedures. The primary purpose of directory information is to allow Harford County Public Schools to include this type of information from your child’s records in certain school publications.

In addition, two federal laws require local educational agencies receiving assistance under the Elementary and Secondary Education Act of 1965 to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents/guardians have advised the local school system that they do not want their student’s information disclosed without their prior written consent.

If you do not want Harford County Public Schools to disclose directory information from your child’s education records without your prior written consent, you must notify the student’s principal in writing within 10 school days of the first day of school.

Harford County Public Schools has designated the following information as directory information:

- Student’s name and grade, but only when it appears on honor roll or graduation list or as a member of a school-approved team, club or other student organization or school publication;
- Participation in officially recognized activities and sports;
- Weight and height of members of athletic teams;
- Degrees and awards received.

**RIGHTS & RESPONSIBILITIES OF STUDENTS:**

The student dress code is intended to create and preserve a positive climate for teaching and learning, reduce the possibility of discipline problems, and preserve school order and safety. The intention of the policy is to seek compliance from students and to avoid disciplinary action unless there are repeated offenses or serious aggravating circumstances.

Magnet Program Transportation Guidelines — The following guidelines pertain to Harford County Public Schools magnet programs: the Global Studies Program, International Baccalaureate Diploma Programme (IB) at Aberdeen High School, Information Technology Oracle Academy (ITOA) at Havre de Grace High School, the Natural Resources and Agricultural Sciences (NRAS) Magnet Program at North Harford High School, Pathways in Technology Early College High School (P-Tech) at Joppatowne High School, and the Science and Mathematics Academy (SMA) at Aberdeen High School.

- The aforementioned magnet programs utilize a depot bus stop system.
- In the morning, a bus for each magnet program stops at all of the HCPS high schools and then proceeds to the magnet program’s school. In the afternoon, buses will stop at the same pickup locations.
- Getting to and from the depot bus stop safely is a parent/guardian responsibility.
- The HCPS Transportation Office will send out notice prior to the start of the school year with all necessary information to those students attending a magnet program outside of their attendance area.
- Students attending a program within their attendance area can find bus information on the HCPS website, www.hcps.org.
- In many instances, ride times can exceed forty-five (45) minutes.
