

BOARD OF EDUCATION OF HARFORD COUNTY

INFORMATIONAL REPORT

DECISION ON

**ETHICS
POLICY NO. 12-0001-000**

APRIL 8, 2019

Background Information:

The Board maintains a manual which sets forth the various policies of the Harford County Public Schools. The manual contains policies which are either required by federal and state law and regulation or which are, in the Board's judgment, necessary and appropriate for the school system to operate in a lawful, appropriate and effective manner. Included among such policies is that policy entitled:

12-0001-000 Ethics

Discussion:

Various sections of the Board Policy Manual are under revision. Included within the Ethics section is the following policy which was reviewed by the Board Policy Review Committee ("BPRC") at its June 11, 2018, meeting and presented to the Board for review at its October 22, 2018 meeting. On December 17, 2018, this policy was presented to the Board for decision. At that time, the Board requested modification to the language regarding notification of a Board member or official in the event of a request to review a Financial Disclosure Statement ("FDS") as well as revision to the required retention period for statements and any amendment thereof.

1. 12-0001-000 Ethics

At the June 11, 2018 meeting of the BPRC, the BPRC determined that it is in the best interest of the school system to require all staff required to complete an FDS to complete the long-form of the FDS which includes all requirements listed in Section V, § B, 1-10 of the policy.

At the October 22, 2018, meeting of the Board of Education, this policy was presented for review. The Board voted in favor of having all required staff members complete the long-form of the FDS beginning with the 2019 calendar year, due April, 2020.

At the December 17, 2018 meeting of the Board of Education, the Board voted in favor of changing the language within the Ethics Policy so that a Board member or official would be notified should anyone request to review his/her FDS.

At that same meeting, the Board also approved the retention period language revision to require that the FDS be retained for a period of 10 years along with any amendment made to the FDS.

This policy was posted for public comment and 1 comment was received and forwarded to the Board for review.

The Superintendent recommends that the Board approve the proposed, revised policy.

POLICY NO. 20-0040-000**

**PARTICIPATION IN EXTRA-CURRICULAR ACTIVITIES
POLICY NO. 02-0010-000**

**STUDENT INSURANCE
POLICY NO. 02-0023-000**

APRIL 8, 2019

Background Information:

The Board maintains a manual which sets forth the various policies of the Harford County Public Schools. The manual contains policies which are either required by federal and state law and regulation or which are, in the Board's judgment, necessary and appropriate for the school system to operate in a lawful, appropriate and effective manner. Included among such policies are those entitled:

20-0040-000 Use of Tobacco Products
02-0010-000 Participation in Extra-Curricular Activities
02-0023-000 Student Insurance

Discussion:

Various sections of the Board Policy Manual are under revision. Included within the District Management section is the following policy which was reviewed by the Board Policy Review Committee ("BPRC") at its June 11, 2018, meeting.

1. 20-0040-000 Use of Tobacco Products

This policy was reviewed by BPRC as it was revised by Mr. Spicer to include language addressing new products on the market related to the use of tobacco, including vaping, juuling and e-cigarettes. The BPRC discussed the option of a 10-day suspension to the Superintendent following multiple infractions of the revised policy. The BPRC agreed that the title of the policy be revised to Tobacco-Free and Smoke-Free School Environment.

The Superintendent recommends that this proposed, revised, retitled policy be reviewed for possible approval at a future Board meeting. This recommendation is consistent with the recommendation of the BPRC at its June 11, 2018 meeting.

Included within the School System Student section are the following policies which were reviewed by the BPRC at its June 11, 2018, meeting.

2. 02-0010-000 Participation in Extra-Curricular Activities

This policy was brought before the BPRC for discussion regarding a change in title. It was decided that the proposed, new title be Eligibility to Participate in Extra-Curricular Activities – Citizenship and Scholastic Requirements. This title more accurately describes the purpose of the policy.

3. 02-00023-000 Student Insurance

At the June 11, 2018 BPRC meeting, Ms. Katie Ridgway, Risk Manager, presented information to the committee regarding the Student Insurance Policy. She explained that no funds are collected by HCPS and no funds are received by HCPS through the vendor for this service. The provision of insurance is most often for students participating in sports who may not otherwise have personal insurance through a family member. Ms. Ridgway communicates with the insurance company representatives on a yearly basis to ensure that the insurance offered will protect HCPS students should parents/guardians choose to purchase insurance.

The Superintendent recommends that this proposed, revised policy be reviewed for possible approval at a future Board meeting. This recommendation is consistent with the recommendation of the BPRC at its June 11, 2018, meeting.

POLICY TITLE: PARTICIPATION IN EXTRACURRICULAR ACTIVITIES		
ADOPTION/EFFECTIVE DATE: December 8, 1986	MOST RECENTLY AMENDED: November 19, 2007	MOST RECENTLY REAFFIRMED: May 14, 2018
POLICY/PROCEDURE MANUAL SUMMARY CATEGORY: STUDENTS		

I. Purpose

The purpose of this policy is to establish standards and requirements of participation by students in extracurricular activities.

II. Definitions

- A. **Extracurricular Activity** means a school sponsored activity that generally occurs after the regular school day, is not graded and for which a credit is not earned and is not described as a part of a course of study or subject offering in the course description guide including, but not limited to, interscholastic sports.
- B. **Probation** means permission granted by a principal of a school to a student to continue to participate in extracurricular activities despite a student's ineligibility, conditioned upon the student's achieving grades on his or her interim grade report which restore the student's eligibility.

III. Statement of Policy

A student is ineligible to participate in extracurricular activities for reasons based on scholastic status and/or citizenship as follows.

A. Scholastic

1. **Ineligibility** – A student is ineligible to participate in extracurricular activities if the student has received a failing grade in any subject on a quarterly report card or has received a failing grade in any subject as a final grade.
2. **Notification** – The student shall be notified in writing of his/her ineligibility.

3. Period of Ineligibility – Ineligibility shall be effective the first day of school following the distribution of report cards. Such period of ineligibility shall continue until the first school day after the quarter the student was ineligible ends and the student meets eligibility requirements.
4. Summer School Grades – In the event a student, as a result of attendance at summer school, achieves passing grades which replace fourth quarter or final grades on his/her fourth quarter report card, such student shall be eligible for extracurricular activities the start of the next school year.
5. Probation – At the principal's discretion, any student declared ineligible for scholastic reasons may be placed on probation rather than being declared ineligible.
6. Appeal – A student declared ineligible may appeal his/her ineligibility to a school eligibility committee. Any such appeal must be filed in writing within three school days after the student has received written notification of his/her ineligibility unless the student's ineligibility occurs at the end of the fourth quarter of the school year in which case the student's appeal shall be filed in writing no later than the first day of tryouts for Fall sports.
7. Appeal Decision – The eligibility committee shall meet and decide all appeals no later than the sixth school day after report cards are issued except with respect to fourth quarter report cards in which case the eligibility committee shall meet and decide a student's appeal no later than the sixth school day after teachers have returned for duty. The eligibility committee may recommend to the principal that the student's eligibility be restored if it finds that circumstances beyond the student's reasonable control caused the failures which resulted in the student's ineligibility. The eligibility committee shall submit its recommendation to the principal who shall make a final decision regarding the student's eligibility appeal.
8. Eligibility Pending Appeal – A student declared ineligible shall not be eligible to participate pending the outcome of his/her appeal. A student, however, may try out for a team pending the outcome of his/her appeal.

B. Citizenship

1. Ineligibility – A student is ineligible to participate in or to try out for extracurricular activities if the student is suspended from school for any period of time.
2. Period of Ineligibility – The student shall be ineligible from the first day of the suspension until the last day of the suspension subject to the following. The eligibility committee shall review all cases where a student has been declared ineligible for citizenship reasons and shall make a recommendation to the principal as to whether to extend the student's period of ineligibility beyond the period of suspension. The principal of the school shall make the final determination as to the period of such extended ineligibility.
3. Appeal – There is no appeal for students who are ineligible for citizenship reasons.
