

BOARD OF EDUCATION OF HARFORD COUNTY

INFORMATIONAL REPORT

**PRESENTATION OF HARFORD COUNTY PUBLIC SCHOOLS'
RISK MANAGEMENT DEPARTMENT**

DECEMBER 9, 2019

Background Information:

The Risk Management Department falls under the Business Services Department within HCPS. The office is responsible for administering insurance programs, managing claims, spearheading prevention efforts, and serving as a consultant to all schools, operational departments, and curriculum areas. The risk management office collaborates internally and with external partners to craft specific loss prevention programs, best practices, formal procedures, and response to accidents and injuries occurring at HCPS.

Discussion:

Risk Management directly supports Board Goal 4: *Provide safe, secure and healthy learning environments that are conducive to effective teaching and learning, creativity and innovation.* By ensuring our buildings, environment, and activities are safe and secure, we produce healthy learning environments.

Superintendent's Recommendation:

No action is necessary.
