

Board of Education of Harford County
Informational Report
Presentation on HCPS Academic Performance:
National High School Assessments and College and Career Readiness

November 4, 2024

Background Information:

Goal 1 of the Harford County Public Schools (HCPS) Strategic Plan is to ensure every student is prepared for success in postsecondary education and career. This presentation will highlight key data points supporting this goal, including the performance of high school students who participated in the 2024 HCPS Summer School program, and information on the identification of students meeting the Maryland State Department of Education's College and Career Readiness indicator.

Furthermore, key metrics aligned with the North Star Graduate Outcomes will be presented, including data on dual enrollment, as well as results from Advanced Placement (AP), International Baccalaureate (IB), and SAT assessments for the 2023-24 school year.

Discussion:

The following will be presented:

- Summer school enrollment and course offerings
- Dual enrollment data
- Advanced Placement enrollment and assessment data
- International Baccalaureate enrollment and assessment data
- SAT assessment data

Superintendent's Recommendation:

The Superintendent recommends that the Board accept this informational report on the academic performance review of national high school assessments, as well as updates on college and career readiness for the 2023-24 school year.
