<b>Department:</b>	Office of Accountability

**Description:**

<ul style="list-style-type: none"><li>• This contract provides for the purchase of iReady online assessments, which are used to assess reading and mathematical skills for students at all grade levels.</li><li>• Additionally, this contract provides limited licenses for students to access Personalized Instruction, which provides customized lessons for students based on their performance on the diagnostic assessments.</li><li>• These assessments were implemented this year to replace the previous online Reading and Math inventory assessment, which the vendor discontinued at the end of the 2023-2024 school year.</li><li>• These online assessments align with Maryland College and Career Ready Standards.</li><li>• School systems are requested to monitor student achievement, mastery of the standards, and overall growth. These assessments will also help prepare students for the Maryland Comprehensive Assessment Program (MCAP).</li><li>• The total annual expenditure will depend on the needs of the district and funding availability and is expected to exceed \$100,000.</li><li>• Purchases made utilizing this contract will be within approved budget limits.</li></ul>
