Department:	Curriculum, Instruction and Assessment - Mathematics and Reading, English and Language Arts Departments

Description:

• The Dreambox Reading Plus and Math programs were implemented in Harford County Public Schools in 2013, for math and reading intervention. • Dreambox adapts to the individual learner, personalizes instruction from intervention through enrichment, integrates assessment with instruction, and develops math and reading skills. • Students in Kindergarten and Grade 1 use DreamBox Math, while students in Grades 3–9 use DreamBox Reading Plus. • The total annual expenditure will depend on the needs of the schools, available funding, and is expected to exceed \$100,000. • The Dreambox licenses will be renewed annually until they are terminated by the district. • Due to the specialized and unique nature of this program, this is considered a Single Source Procurement.
