The Board of Education authorizes the use of alcohol detection devices by school personnel in accordance with applicable law and regulation and HCPS administrative procedures. Alcohol detection devices shall be operated by school personnel only with respect to circumstances when school personnel have a reasonable belief that a student is under the influence of alcohol or a student's personal property contains alcohol. All school personnel who operate alcohol detection devices shall be properly trained with respect to such use. Nothing in this policy or the procedures adopted by the Superintendent shall be construed to restrict the capacity of law enforcement officers to carry out their lawful duties on school property in accordance with applicable law.
