

HARFORD COUNTY PUBLIC SCHOOLS

STUDENT HANDBOOK BRIEF

As a quick reference for students, this handbook brief serves to provide a general overview of certain legal requirements, Board of Education policies, and administrative procedures. The following excerpts do not contain all laws, policies, or procedures in their entirety and should not be relied on as such. Students and parents/guardians should familiarize themselves with the full handbook, available online at www.hcps.org in the Parent/Student Handbook Calendar. Items listed in this handbook are subject to change without notice. Topics are listed in alphabetical order.

ALCOHOL, METAL DETECTORS & SURVEILLANCE CAMERAS

Based upon reasonable suspicion, students can be asked to submit to an alcohol odor detecting device or metal detector during the school day or at after school events on school property. Some schools may have video surveillance cameras. Some buses operated or contracted by HCPS may have both video surveillance cameras and audio recording equipment to monitor student safety and behavior. **Please view the full handbook and/or the Board Policy Manual for more information.**

ATTENDANCE

Daily attendance is required to receive credit for courses. A student is required to bring a written note from their parent/guardian stating the reason for each absence within three school days of the student's return to school.

During a normal operating scheduled day:

If a student is...	They are counted...
In attendance for 4 or more hours	Present for full day
In attendance for 2, but less than 4 hours	Present for half day
Absent less than 2 and one-half hours in the morning	Tardy
Absent less than 2 and one-half hours before dismissal	Early dismissal

During a delayed opening or early dismissal:

If a student is...	They are counted...
Absent no more than 30 minutes	Present for full day
In attendance for at least 2 hours	Present for half day
Absent less than 30 minutes in the morning	Tardy
Absent less than 30 minutes before dismissal	Early dismissal

Students scheduled for a partial day are counted present based on the amount of time he/she is scheduled. Example: A student scheduled for a two-hour block of time will be counted present for a full day if in attendance for that entire block of time. The student is absent if they are not present for that entire block of time. A student is present for one-half day if in attendance for one hour.

LAWFUL ABSENCES

Lawful absences include death in the immediate family; illness of the student, which may require a physician's certificate from the parent/guardian; court summons; hazardous weather conditions; work approved by the school, the local school system, or the State Department of Education and accepted by the local superintendent, school principal, or their designees; observance of a major religious holiday; pregnancy and parenting; state of emergency; suspension; lack of authorized transportation, not including authorized transportation denied for disciplinary reasons; other emergency or set of circumstances which, in the judgment of the superintendent or designee, constitutes a good and sufficient cause for absence from school.

Family vacations during the school year are strongly discouraged. They are lawful only with prior written approval of the principal and must not exceed five days per school year. Written requests must be made at least ten days in advance of the potential absence, and if approved, parents/guardians and students are responsible for requesting assignments.

UNLAWFUL ABSENCES

Absences, including partial absences, for any reason other than

those cited as lawful are presumed to be unlawful. Repeated unlawful absences will require a school conference between the appropriate school personnel and parent(s)/guardian(s) and may result in a referral to the pupil personnel worker.

TARDINESS

Tardiness occurs when a student arrives up to two and one-half hours late. Students arriving with less than two hours remaining in the school day would be considered absent the full day.

STANDARD FOR REGULAR ATTENDANCE

The standard for regular attendance is the minimal requirement for student attendance in order to permit continuity in the instructional program. Students will be defined as chronically absent if they are enrolled at least 10 days in a school and absent at least 10 percent of the time, regardless of the reason. The actions taken when the standard is not met should reflect a continuum of consequences for increasing absenteeism. School officials may waive these actions when they are aware of circumstances beyond the student's control, such as documented chronic illnesses, etc. In addition, students who receive services under an Individualized Education Plan (IEP) or 504 plan may not necessarily be subject to the consequences for failing to meet the attendance standard.

Beginning with the fourth absence and/or tardiness, the parent/guardian will be notified in writing. Continued absence and/or tardiness of the student will result in the initiation of one or more of the following actions: conference with the parent/guardian, student, and principal or designee; referral to Student Services team and/or pupil personnel worker for appropriate intervention; probationary time period - verbal agreement; written contract; after-school detention; Saturday school (non-teaching day attendance); removal of school privileges; restriction of extracurricular activities; in-school suspension (due process procedures followed); referral to Student Services for possible outside referral to court for violation of the compulsory attendance law or to Juvenile Services for intake services.

MAKE-UP WORK PROCEDURES

Make-up work will not be given to students for unlawful absences. If a student is lawfully absent for five days or less, it is the responsibility of the student and/or guardian to request missed assignments. Students will be given the number of days equal to the number of days absent to turn in completed make-up work. If available, assignments may be provided prior to a lawful absence if requested by a parent/guardian at least five days in advance, and with approval by the principal or designee. Submission of make-up work provided in advance is required upon student's return to school, unless extenuating circumstances have been documented.

If a student is lawfully absent for six days or more, it is the responsibility of the parent/guardian to request to arrange for make-up work. The teacher will provide make-up work in a method of their choice and will collect and correct the work. A reasonable timeline for the completion of work will be established. The student will be accountable for all assigned make-up work.

All make-up work will be graded in accordance with the regular classroom grading policy as long as it is completed within the established timeline. Students permitted to enroll in the Alternative Education Program as a result of a long-term suspension do not have the option to receive make-up work from the home school. **Please view the full handbook and/or the Board Policy Manual for more information.**

- The right to inspect and review the student's education records within 45 days after the day the school receives a request for access. Parents/Guardians or eligible students should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent/guardian or eligible student of the time and place where the records may be inspected.
