## **Prekindergarten Daily Framework**

This chart is a delineation of framework components, not a dictated sequence for the day

Opening 10 r  RELA Phonemic Awareness 15 r	0 min.  15 min  30 min.	<ul> <li>Provides opportunities for children to arrive at different times.         <ul> <li>Activities may include unpacking backpack, breakfast, center sign up, question of the day, book and belly, and skill reinforcement activities.</li> </ul> </li> <li>Provides opportunities for oral language, mathematical concepts, and language arts concepts.         <ul> <li>The pace should move quickly. All students should be engaged.</li> <li>Read board plans, say pledge, complete calendar, tell the weather, count boys and girls, and graph the question of the day answers. Activities may also include sight word review, number and alphabet review, and a movement song.</li> </ul> </li> <li>Provides direct instruction in the following:         <ul> <li>Teachers will utilize the Heggerty Phonemic Awareness Program for daily practice in phonological awareness skills such as: rhyming, blending, segmenting, and manipulating letter sounds.</li> </ul> </li> <li>Alphabetic awareness 2x a week         <ul> <li>Writing 2 x a week</li> <li>Writing: generate and express ideas by drawing, dictating, and using letters, letter-like shapes, and symbols.</li> <li>Word Work: expand knowledge in letter and sound identification, high frequency word recognition, pronounce, blend, and segment syllables in spoken words.</li> </ul> </li> </ul>

RELA 30 r Alphabetic Awareness	30 min.	Alphabetic awareness 2x a week Writing 2 x a week
Alphabetic Awareness	30 min.	Alphabetic awareness 2x a week Writing 2 x a week
Alphabetic Awareness	30 min.	O Alphabetic Awareness: recognize, name, form, and produce the sound for each uppercase and lowercase letter.  Writing: generate and express ideas by drawing, dictating, and using letters, letter-like shapes, and symbols.  Word Work: expand knowledge in letter and sound identification, high frequency word recognition, pronounce, blend, and segment
Awareness		<ul> <li>Writing: generate and express ideas by drawing, dictating, and using letters, letter-like shapes, and symbols.</li> <li>Word Work: expand knowledge in letter and sound identification, high frequency word recognition, pronounce, blend, and segment</li> </ul>
		Writing 2 x a week    • Word Work: expand knowledge in letter and sound identification, high frequency word recognition, pronounce, blend, and segment
VV I II II IV		
Word Work		
	- 11	Word work 1 x a week
Outdoor Play or 25 r	25 min.	Promotes children's sense of well-being, physical development, social skills, and oral language proficiency.
	x2	• When weather does not permit, some physical movement activities are required indoors. Examples; power walk, dancing, exercise video etc.
Mathematics 40 r	0 min.	Provides direct instruction in mathematical concepts as stated in the Prekindergarten Maryland College and Career Ready Standards.
		<ul> <li>(Counting and Number Relationships, Operations and Algebraic Thinking Numbers and Operations in Base Ten, Measurement and Data, and</li> </ul>
		Geometry).
Lunch 30 r	30 min.	Children will interact and eat with friends in a social setting.
	20 min.	Provides opportunities for children to engage in social and emotional skill development.
9	25 min.	Provides open ended opportunities to enhance social and personal development and opportunities for children to extend and review previously
	X2	taught skills through teacher planned activities in each center.
		<ul> <li>Teachers may use this time for assessments.</li> <li>Centers include Math, Science, Building Blocks, Dramatic Play, Art, Library, Listening, ABC'S, Research, and Technology</li> </ul>
Read Aloud and 20 r	20 min.	Fosters an interest in books and literacy.
Book and Belly		Literature activities enable children to see print in various forms, listen to a story, answer comprehension and personal questions about a story, retell
		a story and identify various story elements, and structure of a story.
		<ul> <li>Teacher or Para educator reads to the children or children read independently.</li> </ul>
D 40	0 .	Teacher may use this time for assessment.
	0 min.	Rest and read a book
Projects, 30 r	30 min.	<ul> <li>Provides children opportunities to acquire, extend, and apply thematic understanding through hands on experiences.</li> <li>Activities may include Projects, Investigations, Explorations/ Social Studies and STEM initiative— as per the curriculum guide.</li> </ul>
Explorations (PIE)		<ul> <li>Activities may include Projects, Investigations, Explorations/ Social Studies and STEM initiative— as per the curriculum guide.</li> </ul>
• • • • • • • • • • • • • • • • • • • •	45min.	Provides children opportunities to acquire, extend, and apply unified arts concepts.
<b>Dismissal</b> 10 r	0 min.	Provides opportunities for children to pack up belongings and send them off happy, confident and eager to return to school.
