The Brain is the only organ not fully developed at birth. From birth to age five 90% of brain development occurs.

Parents take the lead during this key stage of development.

Title 1 School Readiness Program
School Readiness Program

FREE of charge, offered to families living in Harford County Public Schools Title 1 school districts.

Provides a nurturing learning environment for parents and children.

Builds a learning foundation in the areas of early reading, mathematics, motor skills and social emotional development.

Skill growth is guided by a certified classroom teacher.

Sessions provided once per week.

Why Register

The Title 1 School Readiness program aids in the transition from home to school environments. It is a unique opportunity for families to work alongside their child in a school setting to develop skills that will prepare their child for a successful experience in Kindergarten and beyond.

HCPS TITLE 1 IS COMMITED TO PROVIDING OPPORTUNITIES FOR FAMILIES TO ENGAGE IN THEIR CHILD’S LEARNING
