Applications for 4 full time, 10-month school psychology internships are now being accepted for the 2020-21 school year. A competitive stipend of $20,000 is offered to the successful internship candidate. Only candidates enrolled in Specialist or Doctoral school psychology training programs will be considered.

Applicants should complete an online application with the following attachments: (a letter of interest, resume, official undergraduate and graduate transcript, and three letters of professional reference) by December 1, 2019 to:

Harford County Public Schools
Office of Psychological Services
102 South Hickory Avenue
Bel Air, MD 21014

As a Harford County Intern, you will:

- Address the cognitive, emotional, behavioral, and social factors that influence student achievement
- Support the psychological and mental health needs of students
- Grow and learn in a supportive, collegial environment
