GENERAL TERMS AND CONDITIONS  
Request for Proposal  

Instruction to Offerors  

The following provisions, where applicable, will become part of any contractual relationship developed as a result of the proposal solicitation.

1.0      A REQUEST FOR PROPOSAL SUBMISSION

1.1   The Board of Education of Harford County hereinafter referred to as Harford County Public Schools or HCPS, invites all interested and qualified Offerors to submit a proposal. These specifications and requirements identified in the attached statement of work and detailed specification are intended to cover the service(s) requested.

1.2   In accordance with State law and HCPS policies, solicitations shall be published a minimum of fourteen (14) calendar days in advance of due date for any proposal having a potential award value of $25,000 or more.

1.3   Unless otherwise indicated, HCPS shall receive sealed proposals until the date and time indicated on proposal or as modified by addenda. Proposals must be delivered to HCPS, Purchasing Department, 102 South Hickory Ave., Third Floor, Room 310, Bel Air, Maryland 21014. Proposals must be delivered in sealed envelopes and clearly marked on the outside: Name of Offeror, Due Date and Time, Solicitation/Proposal Number and Solicitation Title. Late proposals will be rejected and returned unopened.

1.4   The Offeror or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, circumstances, prerequisites, qualifications and/or specifications before submitting their proposal. An Offeror's failure to become fully informed is at the Offeror's sole and complete risk of loss. The Offeror shall have no right to any damages, cost and/or any other remedy at law or equity against HCPS for any miscalculation, misunderstanding, error (either omissions or commissions), mistake, misinterpretation, and/or the failure by the Offeror to obtain an award of proposal, award of contract and/or profits, fees or money from HCPS when the Offeror failed to fully inform themselves. In the case of error in extension of prices in the Proposal, the unit price shall govern or the entire proposal may be declared non-responsive.

2.0      PROPOSAL PREPARATION, PROPOSAL SHEET, AND PROPOSAL OPENING

2.1   Offeror must submit the requested documentation with original signatures using HCPS proposal forms. The Offeror should make and retain one original (1) copy of the Proposal for their files and submit two (2) copies additional copies, preferably in electronic media for committee review. Proposals must be signed and submitted by an authorized representative of the Offeror.

2.2   Signed proposals shall be returned in a sealed envelope. When the Proposal is sent by mail, the sealed envelope shall be enclosed in a separate sealed mailing envelope with the notation "SEAL PROPOSAL ENCLOSED" on the face thereof. HCPS shall not accept any facsimile transmission or electronic submission to HCPS purchasing agents, representatives or employees as meeting the requirement of the sealed proposal. A facsimile or electronic document shall not be considered a valid response to the solicitation.

2.3   Each proposal should show the full business address, telephone number, fax number, email address, and federal tax identification number of the Offeror and be signed by the person or persons legally authorized to sign contracts. All correspondence concerning the Proposal and Contract, including Letter of Intent, copy of Contract, and Purchase Order, will be mailed or delivered to the address shown on the Proposal in the absence of written instructions from the Offeror to the contrary.

2.4   All offerors shall be required to complete the certificates and/or affidavits, and/or acknowledgements that are incorporated into the proposal pages of this specification. Such documents are required by Local,
State or Federal funding agencies of HCPS as part of the solicitation process. The documents may include but are not limited to: Anti-Bribery Affidavit, Debarment Certificate, Employment of Sex Offenders and Other Criminal Offenders Affidavit, Sales Tax Certification, Minority Bidder Status and any others that may be required.

2.5 Proposal Due Date

2.5.1 Sealed proposals for the requirements identified in the attached statement of work and detailed specifications, as required by the Board of Education of Harford County, are due at the time and date so specified. Unless otherwise indicated, proposals are due to the Purchasing Department, 102 South Hickory Avenue, Third Floor, Room 310, Bel Air, Maryland 21014.

2.5.2 The Board of Education of Harford County must approve contract awards of $100,000 or more. Formal contract award is contingent upon the required Board approval.

2.5.3 Offerors may correct a minor irregularity and minor irregularities may be waived. A minor irregularity is one that is merely a matter of form and not of substance or pertains to an immaterial or inconsequential defect or variation in a bid, the correction or waiver of which would not be prejudicial to other offerors. When so noted, minor irregularities may be corrected within forty-eight (48) hours following notification.

2.5.4 HCPS also reserves the right to reject any or all proposals and/or waive technical defects and minor irregularities at the discretion of the Supervisor of Purchasing, HCPS or designee if, in its judgment the interests of HCPS shall so require. Proposals may be withdrawn before the scheduled time due. Withdrawal is not permitted after the scheduled time due.

2.5.5 Any omissions, errors, conflicts, or discrepancies in this document shall be called to the attention of HCPS IN WRITING within five (5) working days prior to the proposal due date.

2.5.6 Omission of any specification or details of any specification which would normally apply to the service(s) described herein shall not relieve the Offeror from fulfilling those required specifications needed to provide service best suited to the intended purpose of this contract as determined by the Supervisor of Purchasing.

2.6 At the time of the solicitation opening each Offeror will be presumed to have read and to be thoroughly familiar with the specifications and related documents (including All Addenda). The failure or omission of any Offeror to receive or examine any form, instrument, or document, shall in no way relieve them from any obligation in respect of its proposal.

3.0 AWARD OR REJECTION OF PROPOSALS

3.1 This document is a Request for Proposal (RFP) which differs from an Invitation for Bid in that HCPS is seeking a proven solution for the requirements described in the RFP document. As such, price is not the determining factor regarding the contract award.

3.2 As defined by the American Bar Association Model Procurement Code, Competitive Sealed Proposals (RFP) will be evaluated based upon criteria formulated around the most important features of a service, of which quality, testing, reference, and technical expertise and capability may be overriding factors, and price may not be determinative in the issuance of a contract or award.

3.3 The Proposal evaluation criteria should be viewed as standards that measure how well a proposal meets the intended outcomes described in the performance work statement. Those criteria that will be used and considered in evaluation for award are set forth in this document.

3.4 All proposal documents will become the property of HCPS. Proposals must be submitted in accordance with the requirements set forth in this RFP.

3.5 The Board of Education reserves the right to reject any or all proposals, and/or waive technical defects if, in its judgment the interests of the Board shall so require. Minor differences in the specifications or other minor technicalities may be waived at the discretion of Supervisor of Purchasing or upon recommendation to the Board of Education.

3.6 The Board of Education reserves the right to reject the Proposal of firms who have demonstrated performance deficiencies or who have previously failed to perform properly or complete other Board
contracts on time.

3.7 The Board reserves the right to award to contract within ninety (90) days from the due date and all pricing must remain firm during that period and until the time of award.

4.0 REMEDIES AND TERMINATION

4.1 Correction of Errors, Defects, and Omissions – The Consultant agrees to perform work as may be necessary to correct errors, defects, and omissions in the services required under this agreement without undue delays and without cost to HCPS. The acceptance of the work set forth herein by HCPS shall not relieve the Consultant of the responsibility.

4.3.2 All finished or unfinished supplies and services provided by the Consultant, shall at HCPS’ option, become HCPS property. HCPS shall pay the Consultant fair and equitable compensation for satisfactory performance prior to receipt of Notice of Termination, less the amount of damages caused by Consultant’s breach.

4.3.3 If the damages are more than the compensation payable to the Consultant, the Consultant will remain liable after termination and HCPS can affirmatively collect damages.

4.4 Termination for Convenience – HCPS may terminate all or part of the work required under this contract for the convenience of HCPS with a thirty (30) day notification. In the event of such termination, the Contract Administrator shall determine the costs the Consultant has incurred to the date of termination and such reasonable costs associated with the termination. HCPS shall pay such costs as determined by the Contract Administrator to the Consultant together with reasonable profit reasonably earned by the Consultant to the time of termination but not to include any profit not earned as of the date of termination.

4.5 Obligations of Consultant upon Termination – Upon Notice of Termination as provided in Sections 4.3 and 4.4, the Consultant shall:

4.5.1 Take immediate action to orderly discontinue its work and demobilize its work force to minimize the occurrence of costs.

4.5.2 Take such action as may be necessary to protect the property of HCPS, place no further orders or subcontract, assign to HCPS in the manner and to the extent directed by HCPS all of the right, title and if ordered by HCPS possession and interest of Consultant under the orders or subcontracts terminated.

4.5.3 Deliver to HCPS all materials, equipment, data, drawings, specifications, reports, estimates, and such other information accumulated by the Consultant which has been or will be reimbursed under this agreement after taking into account any damages that may be payable to HCPS. Title to such items shall be transferred to HCPS.

4.6 Remedies Not Exclusive – The rights and remedies contained in this general condition are in addition to any other right or remedy provided by law, and the exercise of any of them is not a waiver of any other right or remedy provided by law.

REQUEST FOR PROPOSAL
20-SEH-029
Third-Party Provider for Title I Educational Services for Eligible Non-Public School Students

1. PURPOSE

The purpose of this solicitation is to solicit sealed Requests for Proposals (RFP) from qualified Offerors to provide Third-Party Title I Educational Services. These services are needed in reading and mathematics to enable students enrolled in non-public, private, or religious schools as required under Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA), Title I, part A - Improving the Academic Achievement of the Disadvantaged.

In an effort to meet these goals, the selected Proposer(s) must maintain an open and cooperative relationship with the HCPS Grant Assistant Supervisor, the Title I Board, and students and their parents, and the Schools selected to participate in these services.

2. BACKGROUND

2.1 Harford County Public Schools (HCPS) serves the needs of public education in Harford County. HCPS operates 54 schools, which includes elementary, middle, and high schools; special education centers; alternative schools; and administrative offices. Central Administration for Harford County Public Schools is located at 102 South Hickory Avenue, Bel Air, Maryland 21014. Currently, HCPS serves eligible non-public school students in three non-public schools located in Harford County. They are Trinity Lutheran Christian School, St. Joan of Arc School, and Bethel Christian Academy.

2.2 Title I of the Elementary and Secondary Education Act (ESEA), as amended by the Every Student Succeeds Act (ESSA), provides federal financial assistance to Local Educational Agencies (LEA's) to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging academic standards. Section 1117 of Title I, Part A, requires each participating LEA to provide Title I services and/or other benefits to eligible non-public school children attending participating non-public elementary schools, their teachers, and their families.

2.3 HCPS, also known as the Local Educational Agency (LEA), receives federal funds each year to provide Title I supplemental educational programs designed to meet the needs of educationally deprived children residing in a participating public-school attendance area. The educational services and other benefits for non-public school students should be equitable in comparison to services and other benefits for public school students. The LEA may provide services directly or through contracts with public or private agencies, organizations, and institutions.

2.4 To be eligible to receive Title I services, a non-public school child must reside in a Title I participating public school attendance area and must meet the criteria of a student identified as failing or at risk of failing to meet challenging academic content and student academic achievement standards. The law requires that residency and poverty information be used to determine Title I funding for the district. The collection of this information annually for all students is necessary to determine the amount of funding that will be allocated for instructional services to both public and non-public school students. Allocation of Title I non-public school funding will be based upon a per pupil allocation (PPA) for eligible students as determined by the September 30th enrollment at the participating non-public school. The PPA varies annually due to changes in Title I funding for the LEA. The PPA for participating non-public schools, therefore, fluctuates year to year based upon these factors. The total allocation to each participating non-public school also depends on the number of eligible students each year. In summary, the annual Title I non-public school PPA dollar amount is dependent upon the LEA's Title I allocation, the annual participating non-public schools' September 30th enrollment (from the previous year), and the number of Title I eligible non-public school students. It is not possible to make estimates for the 2020-2021 school year with the Title I, Part A, allocation not finalized until July/August of 2020. As a historical guide, for the 2019-2020 school year, 18 students generated funds and a total of 19 students received Title I services (grades K-5 at three non-public schools). The total allocation for non-public schools for the
2019-2020 school year is $30,112.92. Currently, a minimum of 60 minutes of services, 2 days per week, are provided to kindergarten through grade 5.

2.5 Under the Every Student Succeeds Act (ESSA), instructional services can be provided to eligible students in pre-kindergarten through grade 12. The current program, however, provides supplemental instructional services to eligible students in kindergarten through grade five (elementary grade span) either during school hours or during after school program hours, which are agreed upon by the LEA and the participating non-public schools. Instruction is provided in the areas of reading and mathematics.

2.6 The effectiveness of the program will be based on the ability of the students to meet the challenging performance standards established by the state or the LEA in cooperation with the participating non-public school officials. The performance standards for participating non-public schools are developed each year after reviewing pre/post tests.

3. SCOPE OF SERVICES

3.1 Services

3.1.1 The Offeror shall ensure that Title I services provided to participating non-public students follow the strict guidelines provided by the federal government based on the Supreme Court rulings of Aguilar v. Felton (1985) and Agostini v. Felton (1997). The selected Firm will work in concert with the Title I Office to operate in compliance with Title I federal and state laws and regulations.

3.1.2 Based on the needs of the children to be served, the Offeror, in consultation with HCPS and participating non-public school officials, shall design a supplemental Title I instructional program.

3.1.3 The Offeror shall implement the instructional program including subject areas, and grade levels, assessment instruments, curriculum content, teaching methods, and types of supplies, and materials.

3.1.4 The Offeror shall implement program resources to help participating students to meet the challenging student academic standards expected of all children.

3.1.5 The Offeror shall use effective methods and instructional strategies that are based on scientifically based research, that provide an accelerated, high quality curriculum that considers extended learning time.

3.1.6 The Offeror shall coordinate with and support the educational program in the classroom by conferencing with the classroom teacher to meet individual student needs.

3.1.7 The Offeror shall provide non-public schoolteachers of participating children an equitable opportunity to participate in allowable professional development activities.

3.1.8 The Offeror shall provide strategies to increase parental and family engagement of participating children; affording parents meaningful opportunities to participate in the education of their children at home and at school; engaging family and community resources to provide the support needed to foster school success (for example, efforts to encourage attendance, promote socio-emotional well being that will allow academic achievement, and ensure that physical needs are being met).

3.1.9 The Offeror shall review, on quarterly basis, the progress of participating children and revise the program and services, if necessary, to provide more effective services.
3.1.10 The Offeror in consultation with the HCPS, Title I Office, and the Private Schools, will provide services to eligible students in Kindergarten through Grade 5 in participating non-public schools. Instructional services will begin on or before August ____, 2020, and extend until June ____, 2021. The Offeror will provide 120 minutes per week of instruction that students will receive in reading/language arts and mathematics. Students with the greatest need may receive additional services. Safeguards, such as quarterly monitoring and ongoing communication with the BOARD Title I Office and non-public schools will ensure that the program is not supplanting the private school regular program.

3.1.11 HCPS will meet with the non-public officials for an Affirmation of Consultation meeting to set the foundation and guidelines for further communication to ensure alignment with the schools' academic standards/curriculum and Title I services.

3.1.12 The Offeror will notify the HCPS of any complaints from private school parents and non-public school officials. The complaint procedure for non-public schools is commensurate with the Harford County Public Schools Title I Complaint Procedure for public schools (Exhibit B: Complaint Procedures).

3.1.13 The Offeror shall ensure that print and non-print materials used to supplement the non-public materials are current and fit the grade level and academic needs of the students.

3.1.14 The Offeror shall ensure that teachers meet and maintain applicable State certification and licensure requirements to teach the subject matter at the grade level(s) they are assigned.

3.1.15 The Offeror shall ensure that the teacher accompanies students as they travel from the participating non-public school program and the regular classroom.

3.1.16 With the approval of HCPS and participating non-public school officials, the Offeror shall publish a quarterly newsletter for parents and other appropriate parties. The newsletter shall contain a program status report.

3.1.17 The Offeror shall maintain all parent and family engagement program budget documentation.

3.1.18 The Offeror shall maintain records of communication and meetings with parents. Record of communication should include sign-in sheets, agenda, notes, and evaluations (if applicable).

3.1.19 The Offeror shall provide a teacher/student ratio in all instructional groups not exceeding 1:8.

3.1.20 The Offeror shall provide substitute teachers as needed.

3.1.21 The Offeror shall be independent of HCPS and the non-public school in the provision of these services. The Firm shall provide to HCPS written notice of any professional relationships entered during the contract period.

3.1.22 The delivery of services must follow the HCPS school calendar year.

3.2 STUDENT SELECTION

3.2.1 Under this section, certain children would be eligible by virtue of their status: for example, homeless children and children who in the preceding two years participated in a Title I preschool. However, the criteria that a student failing, or most at risk of failing, to meet student achievement standards is, for the majority on non-public school children, to be the criteria by which eligibility for Title I services shall be determined.

3.2.2 Using the list of address eligible students provided by the Title I Department, the HCPS, in
consultation with private school officials, will identify students most at risk of failing to meet student achievement standards. The criterion for selecting eligible students to receive Title I services are as follows:

3.2.3 Grades K through 2 – selected solely on the basis of teacher judgment, interviews with parents, developmentally-appropriate criteria, and grade level assessments, which will be agreed upon in consultation.

3.2.4 Grades 3 through 5 – selected using multiple selection criteria (one measure shall be a nationally norm-referenced test; student test score must be at 49 percent or below).

3.2.5 The Title I Office, in consultation with private school officials, will complete the Teacher Student Referral Form for Title I – Kindergarten through Grade 5 for reading/language arts and/or mathematics to identify eligible students for Title I services in participating non-public schools. The Title I Office will confirm identified students are address eligible.

3.2.6 Title I funds may not be used to identify those non-public school children that are eligible to participate. Title I funds, however, may be used to select participants from those who are eligible and to determine the specific educational needs of participating children.

6. **AWARD**

The Contract will be awarded to the firm complying with all the provisions of the RFP and the stated criteria, subject to the availability of funding and provided it is in the best interest of Harford County Public Schools to award the Contract.

7. **CONTRACT TERM**

7.1 HCPS’s goal is to promote partner relationships in accordance with the policies and procedures of public procurement. Toward that end, the successful provider(s) shall be awarded a contract from contract execution until June 30, 2021, with the option to renew for four (4) additional 1-year terms.

7.2 The lack of, or termination, of the related grant funding may result in the cancellation of this award or Agreement.

8. **PRICING AND RATE ADJUSTMENTS**

8.1 All prices herein shall be firm against any adjustment for the first twelve (12) months of the Contract.

8.2 Prior to commencement of subsequent renewal terms, HCPS will entertain a request for a price adjustment on the cost up to the Employment Cost Index for the previous 12-month period prior to the renewal date. The Awarded Bidder(s) shall request all rate adjustments in writing to the Purchasing Agent, at least ninety (90) days prior to the renewal date. Increases submitted late will not be considered.

8.3 The request for a change in the rate shall include: (1) the cause for the adjustment and (2) the amount of the change requested with documentation to support the requested adjustment (i.e. appropriate Bureau of Labor Statistics index).
8.4 HCPS will only consider adjustments on rates based upon the Employment Cost Index (ECI) as published by the Bureau of Labor Standards (https://www.bls.gov/ncs/ect/data.htm).

8.5 For calculating the ECI adjustment, the Purchasing Department shall follow the instructions below:

8.5.2 Under “Employment Cost Index”, click on “One Screen Data Search” (magnifying glass).

8.5.7 Select “Index Number” in box 7.
8.5.8 Make sure the box is checked next to “Not seasonally adjusted”.
8.5.9 Select “Add to Selection” then “Get Data” button.
8.5.10 For each option year of this contract, hourly wage rates may be adjusted by the percentage change in the Employment Cost Index by following the steps above, from Quarter 1 of the prior contract year to Quarter 1 of the current contract year.
8.5.11 To compute the percentage increase, divide the index number for the most recent “Qtr 1” by the index number for the prior “Qtr 1” to determine the percentage increase. Multiply the percentage increase by the base labor cost to determine the escalated labor cost.

8.6 The ECI adjustment is NOT automatic. HCPS reserves the right to accept or reject the adjustment within sixty (60) days of receipt of request.

8.7 If the request is rejected, the Contract for that item may be terminated thirty (30) days from the date of HCPS rejection letter.

8.8 If adjustment request is rejected, HCPS reserves the right to purchase services or goods from the next most favorable responsive and responsible bidder, as the requested adjustment may change the award position. If the next most favorable responsive bidder(s) does not have service available within the requested timeframe, HCPS reserves the right to purchase from any source.

8.9 Awarded Bidder whose price adjustment has been rejected by HCPS shall be granted the right of first refusal and shall be given an opportunity to match the item pricing of the next most favorably ranked responsive and responsible bidder within ten (10) days of receipt of HCPS rejection notification.

8.10 Upon receipt of the Awarded Bidder(s) request, HCPS shall decide to accept, reject or modify the request for a price adjustment based upon its investigations and the information provided by the Awarded Bidder. If HCPS approves the price adjustment, the price shall remain firm for the renewal term for which it was requested.

8.11 HCPS reserves the right to decrease the unit price, if such downward adjustment is reflected with the CPI data.

8.12 Unit Price rate increase requests will not be considered if not accompanied with the proper information or within the designated time.

1.1 The Consultant shall not commence any operations or services on behalf of the Board of Education of Harford County (the Board) under this Contract until the Consultant has obtained at the Consultant's own expense all of the insurance as required hereunder and such insurance has been approved by the Board. Approval of insurance required of the Consultant will be granted only after submission to the Board of original certificates of insurance signed by authorized representatives of the insurers or, at the Board's request, certified copies of the required insurance policies.

1.2 Insurance as required hereunder shall be in force throughout the term of the Contract. Original certificates signed by authorized representatives of the insurers or, at the Board's request, certified copies of insurance policies, evidencing that the required insurance is in effect, shall be maintained with the Board throughout the term of the Contract.

1.3 The Consultant shall require all Subcontracts to maintain during the term of the Contract insurance to the same extent required of the Consultant herein unless any such requirement is expressly waived or amended by the Board in writing. The Consultant shall furnish Subcontracts' certificates of insurance to the Board immediately upon request.

1.4 All insurance policies required hereunder shall be endorsed to provide that the policy is not subject to cancellation, non-renewal or material reduction in coverage until sixty (60) days prior written notice has been given to the Board.

Therefore, the phrases "endeavor to" and "... but failure to mail such notice shall impose no obligation or liability of any kind upon the company, its agents or representatives" are to be eliminated from the cancellation provision of standard ACORD certificates of insurance.

1.6 If the Consultant does not meet the insurance requirements of this Contract, the Consultant shall forward a written request to the Board for a waiver in writing of the insurance requirement(s) not met or approval in writing of alternate insurance coverage, self-insurance, or group self-insurance arrangements. If the Board denies the request, the Consultant must comply with the insurance requirements as specified in this Contract.

ATTACHMENT J: AFFIRMATION OF CONSULTATION SAMPLE

I am the administrator of ______ school, a private school with students living in an eligible Title I attendance area of Harford County Public Schools (HCPS). The following topics, requiring collaborative decisions about Title I services for 2019-2020, were discussed on 05/20/2019.

TOPICS DISCUSSED

How HCPS will identify students’ needs:
- Title I referral form as provided by the contractor
- GMADE & GRADE test scores grade 3-5
- Teacher judgment/observation and evaluation
- Report cards
- Multiple selection process

What services HCPS will offer:
- Small group (6 to 1 ratio) through Catapult Learning in a during school or after school K-5 tutoring program.
- Services will be offered at the school site either after school or during school based upon the current year’s school schedule. A calendar will be created, if during school pull-out groups are utilized.
- The pull-out groups will not occur during direct instructional time. HCPS will monitor these pull-out groups to ensure students do not miss direct instructional time.
- After school services will be provided to eligible students for 120 minutes per week in the content areas of need.

How and when HCPS will make decisions about the delivery of services:
- At quarterly meetings with private school administration and Catapult Learning, the Title I Assistant Supervisor will review and analyze recent student data for instructional implications.
- Coordination by conferencing with the classroom teacher will support the comprehensive education program for the participating students.
- Delivery of services from Catapult will meet student needs.
- HCPS may perform unannounced visits, to ensure pull-out students are not missing direct instructional time.

How, where, and by whom HCPS will provide services, including whether a third party will provide them?

Catapult Learning will employ certified teachers. The after school tutoring service will be provided at ______ School, two days a week for an hour, days will vary, 120 minutes per week per subject. The during school tutoring service will be provided at ______ School, two days a week for an hour, days will vary, 120 minutes per week per subject, once created, a calendar for delivery of service for the 2019-2020 school year will be provided.
How HCPS will academically assess the services and how HCPS will use the results of that assessment to improve Title I services.

**Grades K-5**

- The Title I Assistant Supervisor along with the private school administration and Catapult Learning will meet quarterly during the school year. Lesson tracking sheets will be reviewed to assess program. Classroom teacher feedback/evaluation will determine adjustments to individual student plans.
- An annual evaluation will be completed by the HCPS Title I Office. The report will include teacher/parent survey, assessments, conducted by Catapult, as well as, other school assessment/reports for the private school.

The size and scope of the services HCPS will provide, the proportion of funds that HCPS will allocate for those services, and how the proportion was determined.

The number of groups served will be determined by Title I funding. The proportion of funds allocated to ______ School will be determined and available by Mid-August, 2019. These funds will support teacher salaries for during school or after school services. The proportion of funding between parent involvement, professional development, administration, and instructional services was determined during joint consultation with each private school.

**How HCPS will determine the number of private school children from low-income families residing in participating public school attendance areas:**

The private school surveys their parents to determine the number of private school children from low income families living in HCPS Title I School attendance areas.

**How HCPS will determine whether or not to pool or consolidate funds for instruction, servicing only the most at-risk children regardless of which private school generated the funds:**

HCPS will not pool funds for instruction in private schools. When funds are pooled, only the most at-risk children receive services first, regardless of the amount of funds that was generated based on the number of children from low-income families attending that private school. When funds are not pooled, the most at-risk children at ______ School will be serviced.
How HCPS will respond to complaints from the Private School

The HCPS Title I, Part A – Complaint procedures were adopted on July 1, 2011 and most recently amended on June 20, 2016. These complaint procedures ensure the prompt resolution of complaints of violations of Title I, Part A. The Complaint Process for participation of Private School children is the same process as the HCPS Title I, Part A – Complaint procedures. The Private School will receive a copy of the HCPS Title I, Part A – Complaint procedures.

COOPERATION BY SCHOOL

By choosing to participate in Title I, Part A of the Every Student Succeeds (ESSA) Act, the private school agrees to provide all information necessary to comply with program requirements including, but not limited to, the names and addresses of the eligible students enrolled in the school who reside within the HCPS, Cecil County Public Schools (CCPS), and Baltimore County Public Schools (BCPS) boundaries. I agree to schedule and hold the equitable services, which the LEA provides to teachers and families of participating private school children. I agree to develop such plans and give such other reports as mandated by the program in which we will participate. I also agree to furnish, upon request; copies of announcements, sign-in sheets, agendas and notes, pertaining to school hosted events with Title I Families.
