### Harford County Public Schools goes live with mobile version of website

Harford County Public Schools (HCPS) has launched a mobile-friendly version of its website, [hcps.org](http://hcps.org), for smart phone users. The layout of this new site is designed for viewing on mobile communication devices and features dynamic content only. Mobile users will automatically be redirected to the new website, or they can access it directly by typing <http://www.hcps.org/m> into their phone's browser. The new website format was created and launched as part of ongoing efforts to increase accessibility to information about the school system.
