**\*\*Superintendent's FY17 Budget Public Input Sessions\*\***

Media Partners:

HCPS has begun the budget development process for the FY17 operating budget and has developed a plan to engage all stakeholders in meaningful discussion regarding the budget and the needs for the school system throughout each stage of the process. Our goal is to ensure that the entire community has an opportunity to become involved in the process and partner with HCPS in the development of our FY17 operating budget. The first step in the process is the development of the Superintendent's recommended operating budget, which will be presented to the Board of Education of Harford County in December. Community input sessions are scheduled during the month of October, and we encourage all to attend to offer their input regarding the budget. The Superintendent wants to hear from you. The schedule is as follows:

- Tuesday, October 6, 5:00 p.m. – North Harford High School Media Center
- Wednesday, October 7, 10:00 a.m. – LIVE STREAM ONLY – [www.hcps.org](http://www.hcps.org)
- Thursday, October 8, 5:00 p.m. – C. Milton Wright High School Media Center
- Thursday, October 15, 5:00 p.m. – Aberdeen High School Media Center

In addition, employees and members of the community are always welcome to email ideas and suggestions to [budget@hcps.org](mailto:budget@hcps.org) anytime throughout the process.

Thank you,
