PAGE TWO: GALLERY WALKS

Science and Mathematics Academy, Aberdeen High School

The Science and Mathematics Academy (SMA) at Aberdeen High School offers students the opportunity to engage in challenging coursework that will prepare them for Science, Technology, Engineering and Mathematics (STEM) opportunities in higher education. Exclusive to the SMA is a four-year series of courses called Science, Research, and Technology, which provides students with an opportunity to integrate STEM curriculum in relevant and authentic research.

Tuesday, May 21, 2019

6:00 – 8:00 p.m.

ABHS Auditorium and Cafeteria

Project Lead the Way/Biomedical Sciences, Havre de Grace High School

This program is designed to address the impending critical shortage of qualified science and health professionals and is for the motivated and serious student who desires rigorous post-secondary education and training.

Wednesday, May 22, 2019

6:00 – 8:00 p.m.

HDHS Auditorium and Cafeteria

Global Studies Program/International Baccalaureate Diploma Programme, Edgewood High School

The International Baccalaureate Diploma Programme at Edgewood High School is an accelerated academic program that allows students to be active, well-rounded individuals, as well as engaged world citizens. Through this program, students develop a strong sense of their own identity and culture and develop the ability to communicate with and understand people from other countries and cultures.

Wednesday, May 22, 2019

7:15 – 8:30 p.m.
