FOR IMMEDIATE RELEASE

December 4, 2009

Drug dog scan conducted at Aberdeen Middle

A routine, random drug dog scan was performed at Aberdeen Middle School yesterday, Thursday, December 3, 2009. The scan, done as part of the school system's commitment to keeping illicit drugs out of the schools, was accomplished using a canine under the direction of the Harford County Sheriff's Office.

The scan involved 376 lockers being sniffed by the dog. The 20-minute scan – supervised by two Aberdeen Police Officers, one drug dog, four administrators from the school, and the school system's Coordinator of Safety and Security – resulted in seven alerts with no controlled dangerous substances found.
