Board/APSASHC reach tentative contract agreement

The Board of Education of Harford County has reached a tentative four-year contract agreement with the Association of Public School Administrators and Supervisors of Harford County (APSASHC).

Specifics of the tentative agreement are currently being shared with members of the Board of Education of Harford County and with the members of APSASHC, and the agreement will become official after ratification by both APSASHC and the Board.

This tentative agreement was reached after a brief period of negotiations where salaries, benefits and other working conditions were collaboratively discussed. Chief negotiators of the school system and APSASHC signed the document today, June 29, 2010.

Details of the agreement will be forthcoming on the Board of Education's Collective Bargaining website.
