### **Drug dog scan conducted at Aberdeen High School**

A routine, random drug dog scan was conducted in Aberdeen High School today. The scan, done as part of the school system's commitment to keeping illicit drugs out of the schools, was accomplished using a canine under the direction of the Harford County Sheriff's Office.

The scan involved 628 lockers being scanned by the dogs. The 40-minute scan (9:15 a.m. to 9:55 a.m.) – supervised by four officers, three drug dogs, four school administrators and the school system's Coordinator of Safety and Security – resulted in one alert that produced no controlled dangerous substance or tobacco violations.
