FOR IMMEDIATE RELEASE

OCTOBER 31, 2011

### **Drug dog scans conducted at Edgewood High School**

Two routine, random drug dog scans were conducted at Edgewood High School today. The scans, done as part of the school system's commitment to keeping illicit drugs out of the schools, were accomplished using a canine under the direction of the Harford County Sheriff's Office.

The parking lot scan involved 20 cars in the school's parking lot being sniffed by the dog. The 25-minute scan (9:05 to 9:30 a.m.) – supervised by two deputies from the Harford County Sheriff's Office, one drug dog, two administrators from the school and the school system's Coordinator of Safety and Security – resulted in two alerts that produced no controlled dangerous substances or tobacco.

The building scan involved 268 lockers being sniffed. The 40-minute scan (9:45 to 10:25 a.m.) – supervised by two deputies from the Harford County Sheriff's Office, one drug dog, two school administrators and the school system's Coordinator of Safety and Security – resulted in two alerts that produced no controlled dangerous substances or tobacco.
