

HARFORD COMMUNITY COLLEGE:

A Resource for the Community

For Parents:

- GED preparation and English as a Second Language classes
- Workforce development programs in high demand careers
- Associate's degrees that articulate to four-year institutions
- Community education programs that focus on leisure learning (the fun stuff!) and travel

For Children:

- The Early Learning Center provides full- and half-day preschool for children ages two through five
- Youth programs for toddlers to teens including music, art, academic enrichment, sports, and summer camps
- MVA approved driver education classes

For Teachers and Child Care Providers:

- Courses that lead to certification
- Courses for continuing education
