HARFORD COUNTY PUBLIC SCHOOLS PERMISSION FOR STUDENTS TO CARRY/SELF ADMINISTER MEDICATIONS

It is the policy of the Harford County Public Schools to prohibit students from possessing or using prescription or overthe-counter medication on school buses or on school property. Note: a student may <u>NOT</u> carry pills, capsules or liquid medication at any time. However because of a serious medical condition, a student may need to carry an inhaler for asthma or auto injectable epinephrine device for severe bee sting or allergic reactions. If the health care provider feels that your child must carry and self-administer either an inhaler or auto injectable epinephrine device, please have the health care provider sign this form, stating the <u>medical necessity</u> for carrying the medication. Parent/guardian must also sign the form. This completed form must be given to the school nurse. The school nurse will notify all appropriate personnel when such exceptions are granted, including bus drivers. A copy of this form will be retained in the student's confidential health folder. The Contract for Self-Administration of Medication on the reverse side must also be completed.
